Wendy McMillin

Hey Wendy -

I'm really glad  
that I took Adv.  
Algebra. The class  
was terrible, but  
I met alot of  
people. Too bad  
you couldn't stay  
in with me. The rest  
of the year was a  
real drag staring  
at "Bozo". Congratulations  
on winning yell leader,  
I told you you would.  
See you next year  
lucky senior!

Love Brandon  
Mark 77

Wendy,  
For a great kid  
and a great person to  
be around. We will have  
to be doing a lot of things this summer.

Love  
Joy

**A  
Slice  
of Life**

## **a slice of life . . .**

*You as an individual may ask: What is a slice of life? It's one portion of your life drawn into focus by different sections: Learning, Spirit, Athletics, Leisure, Jobs, Togetherness, The times.*

*There are many separate pieces, each one different, no two alike. They may strike you funny, sad or happy. Everyone is an individual with different ideas.*

*Yet even though we are unique and each slice means something different to each of us I need you as you need me. Although we are all individuals, we cannot stand alone. We depend on one another to make our slices fit together as a whole.*

*Our year was an important one.*

*Together we achieved.*

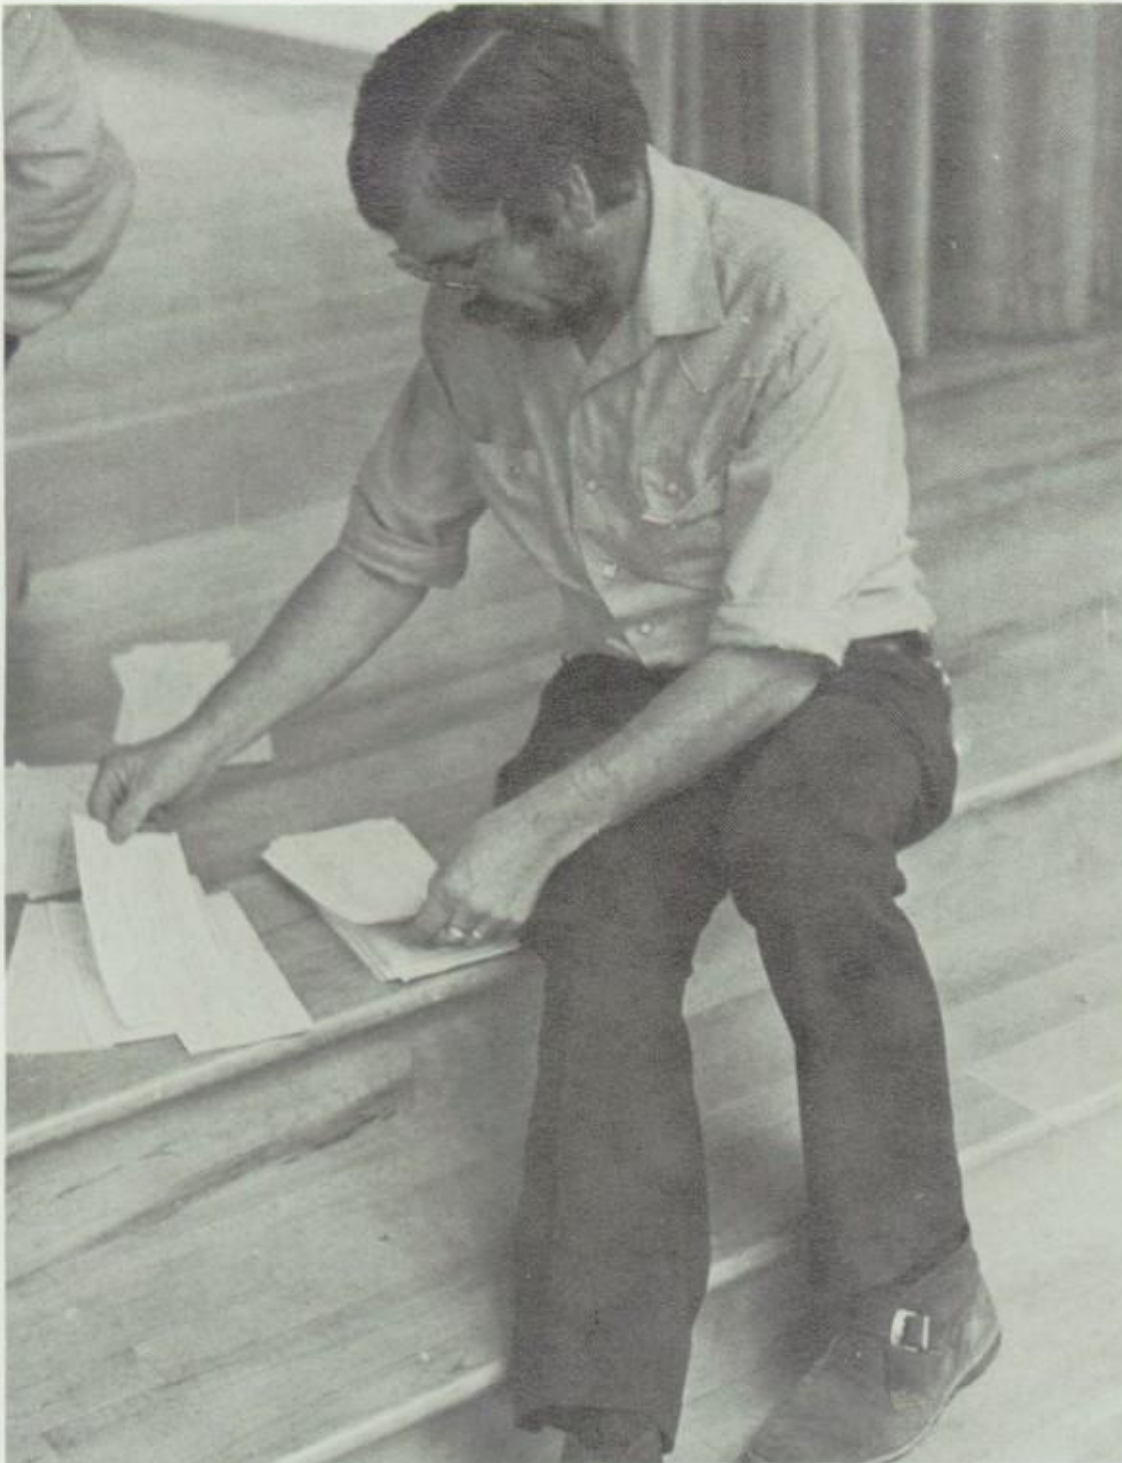

# **learninglearninglea**

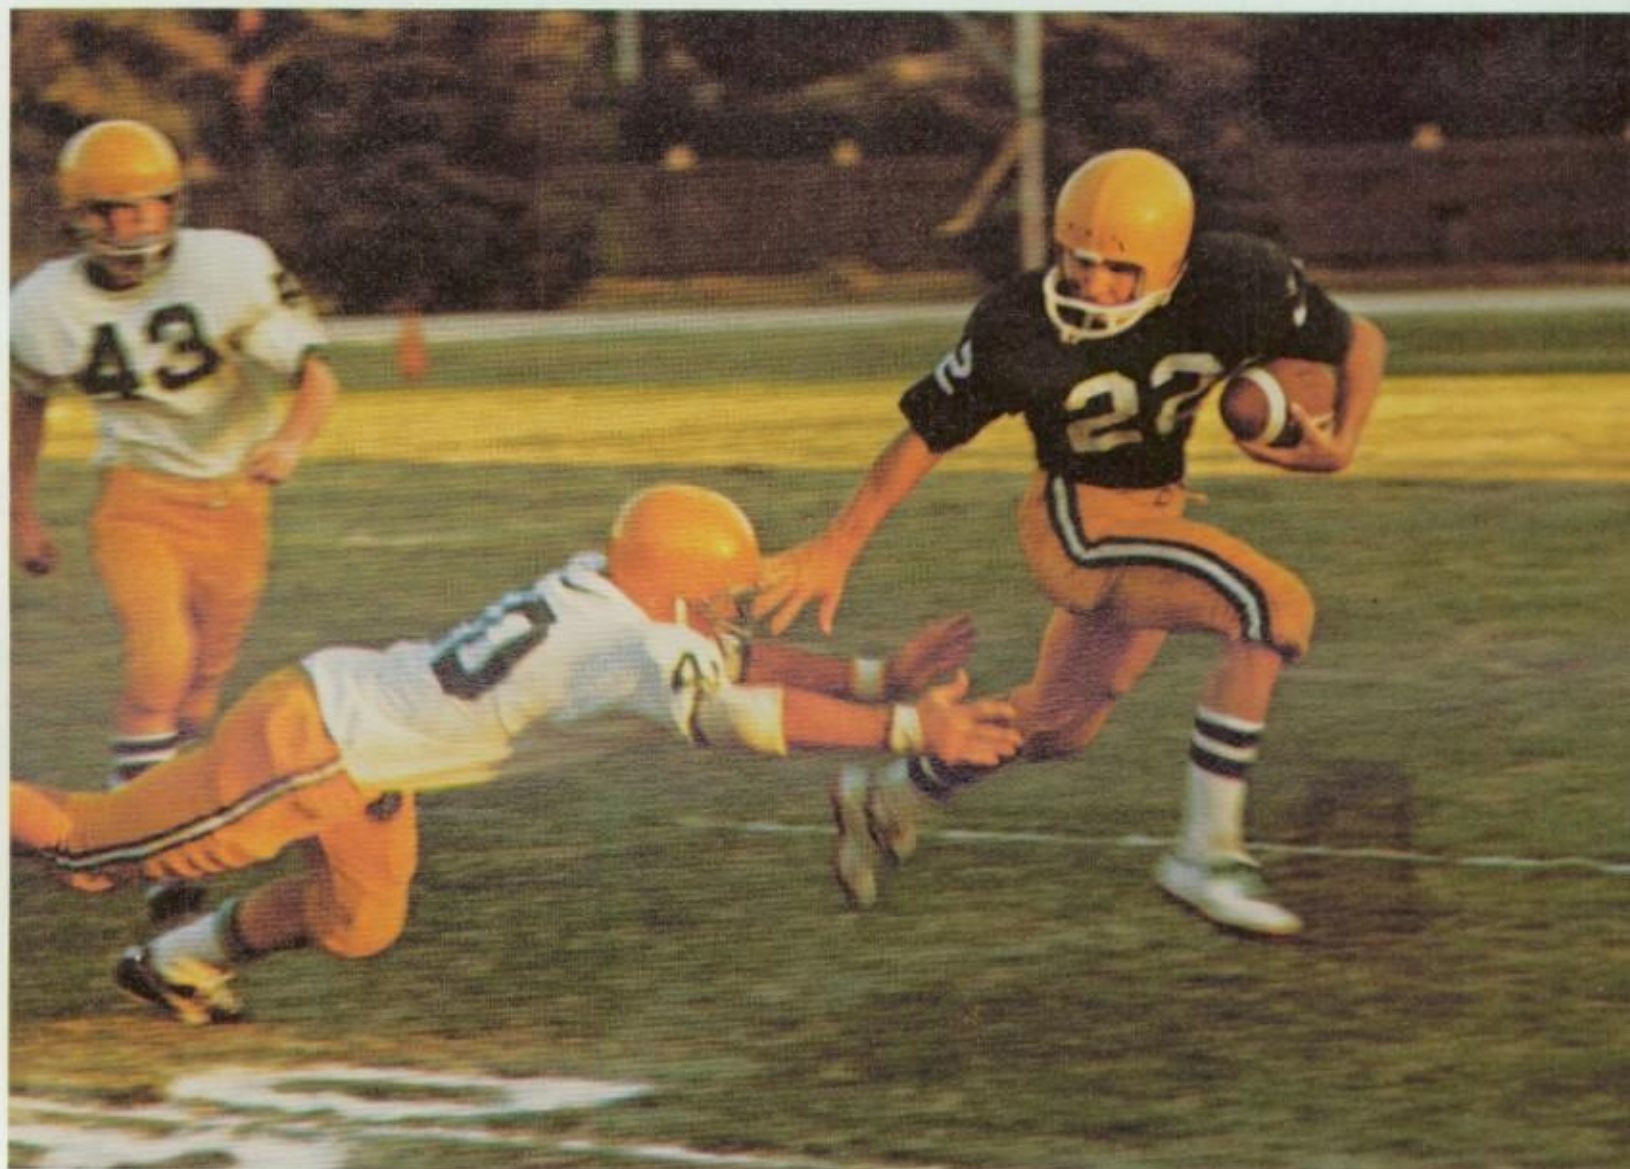

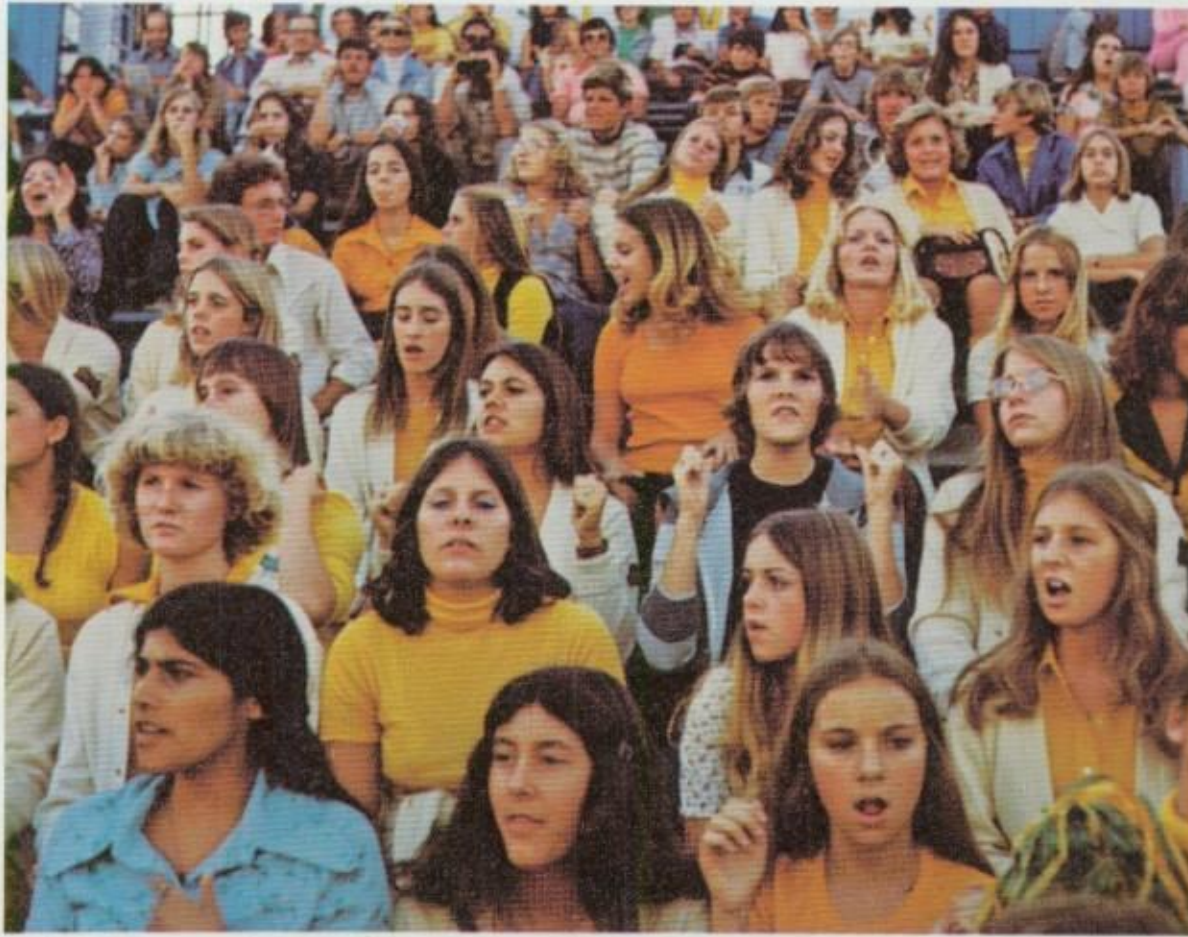

## learning . . .

*With the introduction of AB scheduling, classroom teaching and learning methods were somewhat altered. Besides having to remember if it was an 'A' or 'B' day, students also had to make the momentous decision whether they would do their homework today or put it off until tomorrow! Procrastination became the problem of the day!*

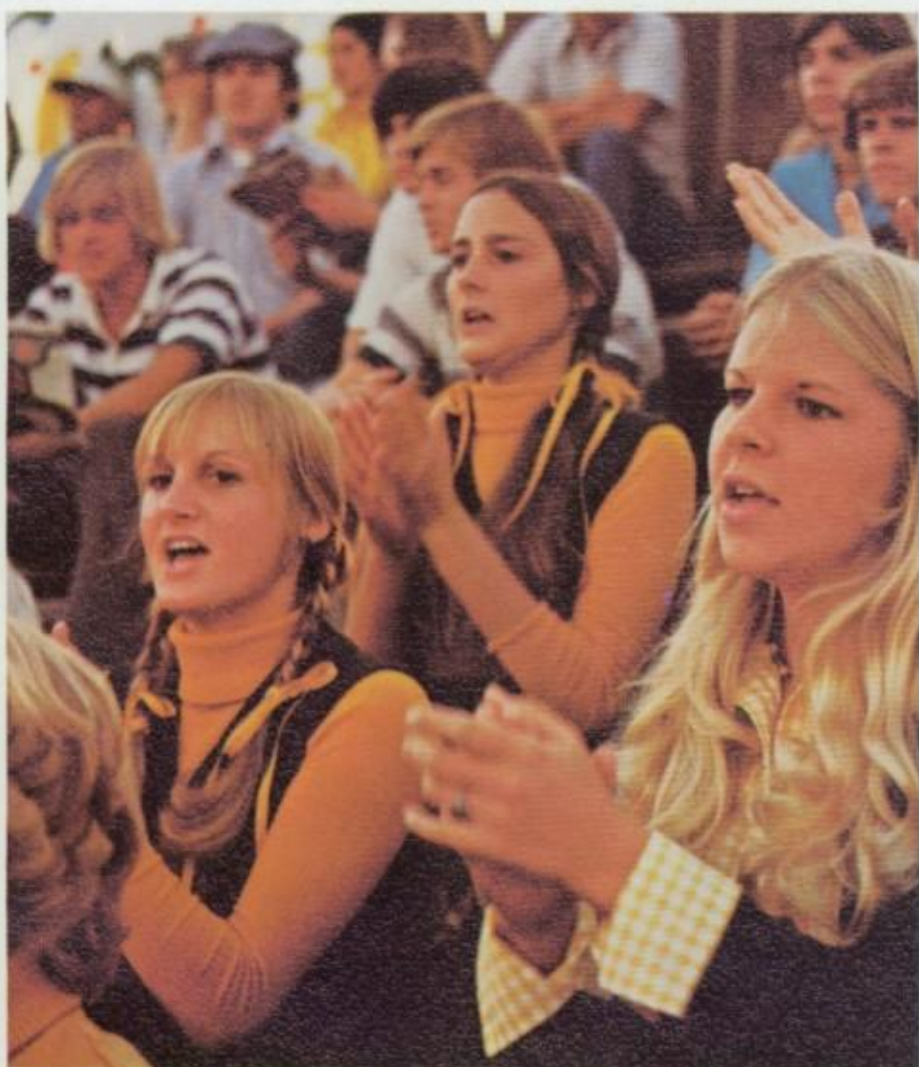

**inglearninglearninglearninglearning**

**spiritspiritspiritspiritspiritspirit**

## **spirit . .**

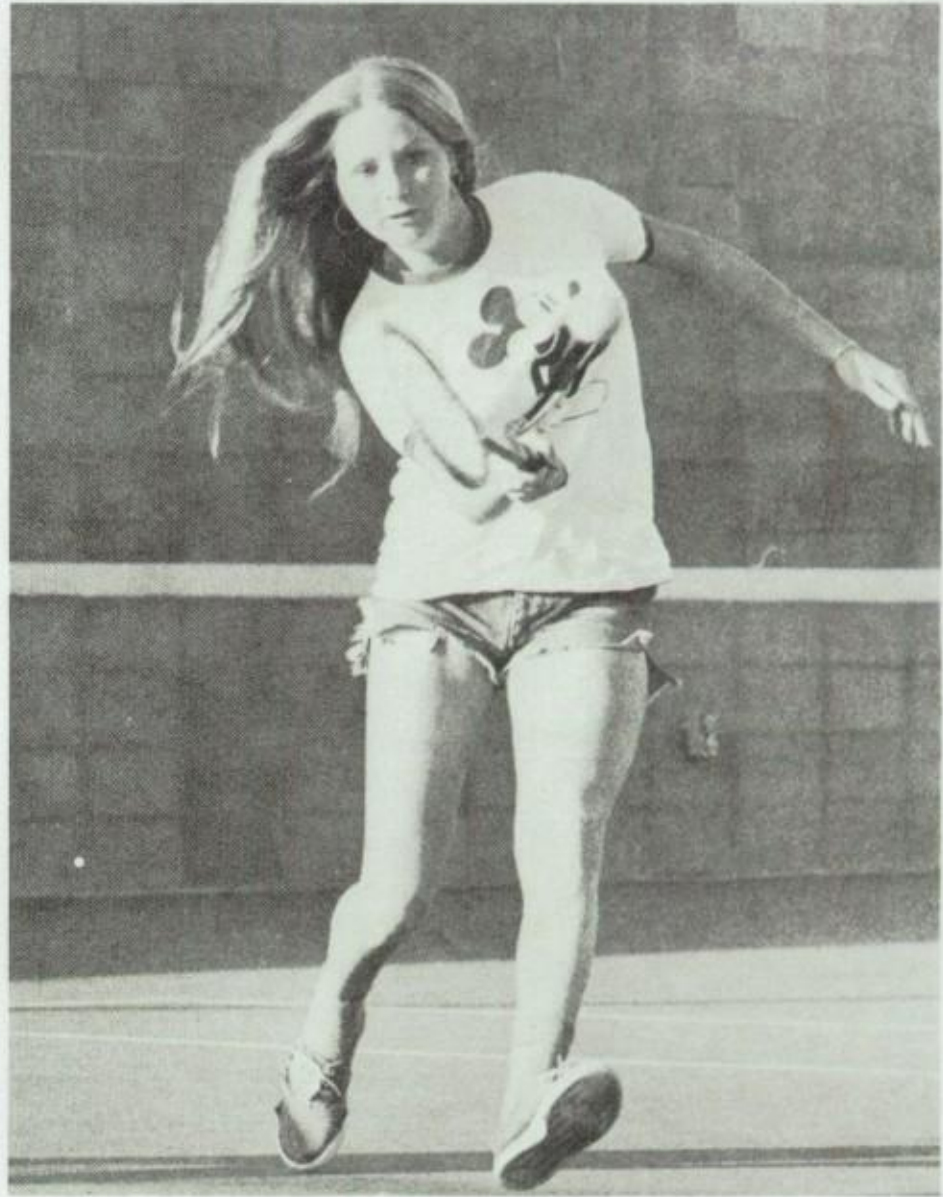

*Spirit! Not only school spirit, but simple human spirit dealing with everyday life and times. Express yourself! Take for example all those special days: Bee-Bop day, Nostalgia day, Mock Downey, 20's day, etc. . . Spirited students participated and all have formed a special atmosphere: carefree and full of laughter and togetherness!*

*The selling of pom-poms, suckers and ribbons was a big success. Decorating athletes' lockers and taking Varsity teams out to breakfast were all big spirit spreaders.*

*Rallies, school clubs and, of course, football games all were part of the great Davis spirit.*

## athletics . . .

*The realm of athletics spans from the teamwork of a finely organized football machine to the lone individuality of a cross country runner. But the backbone of all school sports are the hours of after school practice, sweat and exhaustion that is endured only by the determination of the players. It is this determination that allows them to patiently await the upcoming confrontation that can end only with the joy of victory or the despair of*

*defeat. However, organized athletics are not the only activities available. Many other Davis athletes enjoy snow skiing. Other wait for the bright sunshine of spring to swim, golf, or play tennis. Some avoid the heat by bowling or ice skating.*

*But whatever the activity, it's the fun and excitement that forever remains a slice of our lives.*

A photograph of a carousel at night. In the foreground, a white, ornate structure resembling a horse's head or a decorative pillar stands on a green, textured surface. To the right, a wooden structure with a ramp or staircase is visible. In the background, two people are standing near the carousel, and the warm, glowing lights of the ride's canopy and other structures are visible, creating a festive atmosphere.

## jobs . . .

*A job? That is the important slice of life that can get us experience or money. Some people have a job just to get training and valuable working experience without actually getting paid. Most of us work for that single important resource, money. We work for money to buy clothes, cars and to get many of us to college.*

*One can find a job from the Want Ads or by word of mouth. Many students get their jobs through Bill Morris in Work Experience.*

## togetherness . . .

*Through the years, we all develop ties and bonds and things. Many of the bonds that we formed at Davis are the ones we'll never forget. There were many groups to form close relationships with many people.*

*Of course our love affairs either great or*

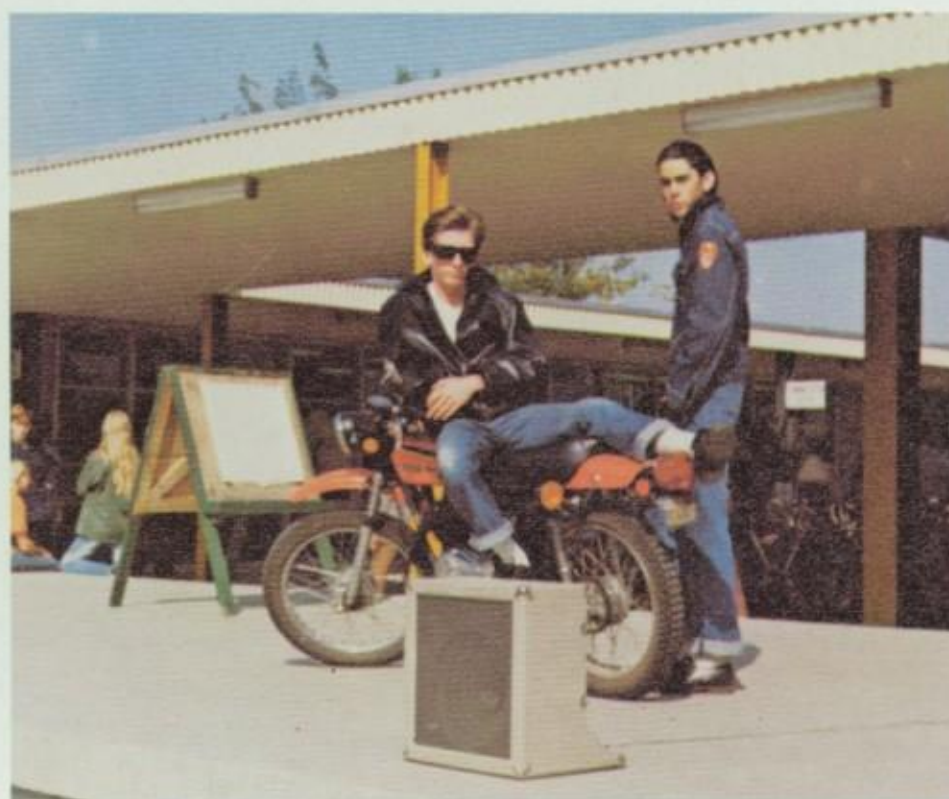

*small was the togetherness that will remain in our minds and hearts for years to come.*

*Together in 1975 we found friendships and loves that made us realize the importance of living, giving and being.*

## the times . . .

*These are fast times and slow times; crowded times and lonely times. During these times, a substantial cost of a date was the gas. But it was worth that extra cost to be with that special person. The cost of living rose 11% over the year; too bad our incomes didn't.*

*All the screams and yells over ecology finally began to pay off. We started to do something about clean air and water. Speaking of cleaning up, what about that little matter of a coverup and Mr. Nixon? Also during this year, some of us got our first chance to say something about government ... the vote.*

*Yes, these times have changed us. Whether they were good or bad I can't say, but I will remember them for all my life.*

# Dedication: **A Woman For All Reasons**

*In your life teachers come and teachers go. But there are always those special instructors who stay with you the rest of your life. The reasons for their specialness varies but whatever it is, you know they did it for the good of the student and not themselves.*

*This year when we wanted to bring you a bigger and better yearbook, it looked impossible. There seemed to be too many things we didn't know, too many changes to be made and too little time to do it. It was one person's dedication, encouragement and knowledge that carried us through to the final deadline. To us and to the many students who have had the good luck to know her, GERTRUDE HOGUE is one of these very special teachers.*

*So it is with great pride and love that we, the OLYMPIA staff, dedicate the 1975 OLYMPIAN to-*

# Administration Leads Changes

*Change, change, change. This year our Administration tried in every way possible to bring about drastic changes in our school day: A-B scheduling, fewer minimum days, junior English requirements, tardy policies; all in an attempt to whip students into shape. Robert Taylor and his staff cracked down on food fights as well as false fire alarms. Now students will be better prepared to face the outside world (?)*

## to A-B Scheduling . . .

*If today is an A day, then tomorrow is a B day. Sounds simple, but try telling that to 2,280 people. In an attempt to make classes more interesting, A-B scheduling was put into effect this year. The primary response was negative, but students soon grew to like having an extra day not to do their homework. But there were many drawbacks to this new type of scheduling, besides the added registration conflicts, teachers now had to prepare two hour lectures and at the same time keep students interested.*

## to Attendance Problems

*Tardies were a subject of controversy this year. Many teachers tired of class interruptions by tardy students cracked down and made up their own individual policies. These policies varied from class to class, some considerably more strict than others. Some students just didn't show up for class because they could better afford an absence rather than a tardy.*

# Senior Class Officers

The Seniors had an unusual experience by having only two class presidents: Bret Thompson the first two years and Sue Conway the last. Many fun money-making projects were conducted including the Sadie Hawkins play day and dance, Eat 2-for-1, the Prom, Festival of Joy, Spaghetti Dinner, and lastly, the trip to Disneyland. All in all, these years have been exciting and will be cherished by all.

## Look Out Harvard, Here We Come!

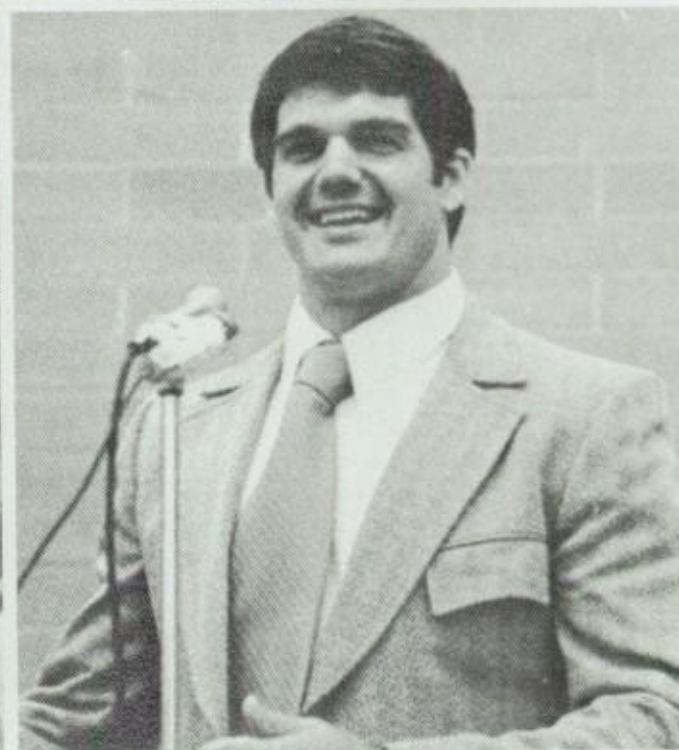

Without the sincere dedication of Hal Hubbard, most of us would find college a bit less accessible. ## Thanks For the Memories

Over the past four years, the class of '75 has had the privilege and honor of initiating Yvonne Taylor and Jan Buchanan as class advisors and teachers. Both of them, as well as the senior class, have grown a lot since that hot, innocent September of 1971 when we all entered the hallowed walls of GDHS.

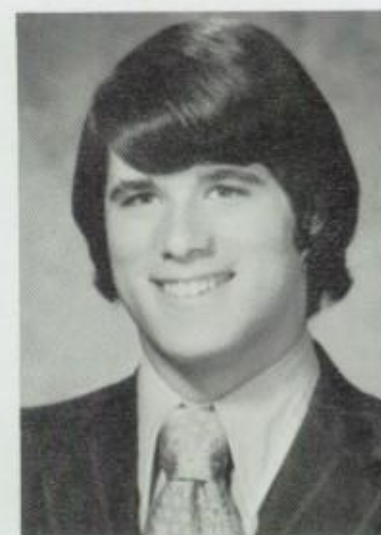

So many memories will stay with us—those of the frosh float, Sadie Hawkins, Eat 2 for 1, the Homecoming Dance, the Spaghetti Dinner, Disneyland, and Graduation. We'll never forget you and all of your help that made these exciting activities possible. Again, THANKS!!

TODAY: Final Schedule  
FRIDAY: Teacher Work Day

GENERAL ANNOUNCEMENTS

Hall Lockers: Please clean out your lockers today-extra trash cans are in the halls. Custodians will be working on the lockers during the summer and will remove any items left in them. Thank you.

Summer Work Permits: Students under the age of 18 and hoping to find a summer job should pick up their work permits in the Work Experience Office. This permit is valid from now until the beginning of school in the fall.

Summer School Late Registration: Students who have not pre-registered may register in class during the first three days of Summer School: June 23, 24, and 25. There will not be two sessions this year. Summer school will only run seven weeks, from June 23 through August 8. Students may see the secretary in the Summer School Office to register.

Yearbook: For those of you who want to buy a fantastic 1975 Olympian, we have a few left in the SBO. The price now is \$9.00. It is too bad that you didn't pick one up last fall when the book was only \$7.50!

CLASS ANNOUNCEMENTS

Seniors: Many senior clearance forms have not been completed. We can not start rehearsal tomorrow morning until all are officially cleared. Please help us start on time-8:15 a.m. Friday, by getting your clearance in today by 12:30 p.m.

Seniors: Rehearsal 8:15 a.m. Friday (tomorrow) morning. If you have chosen to go through Graduation tomorrow night, you must be in the full rehearsal tomorrow morning. If you don't go through practice, you shall not participate in the ceremonies Friday night! We'll be through by 10:30 easily if everyone completes their Senior Clearance by 12:30 today.

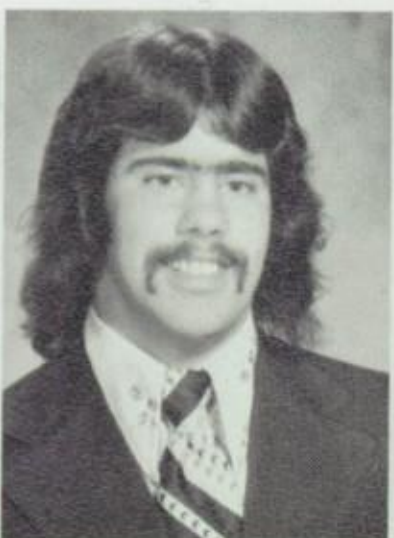

\*\*\*\*\*

Farewell: Congratulations to our graduating seniors and best wishes for an enjoyable summer to all Davis students and staff. As all years, this one brought some good news and some bad news. We hope your year had a lot of good news and that next year is even better.

# Active Times

*The biggest activity for any student is school, but what do students do when there is no school...*

## The 7:50 Rush

*Our leisure time before school wasn't very relaxing or free. In the morning after pulling ourselves out of bed and managing to get breakfast in between puzzling over what to wear and dashing down last-minute homework, the journey to school began. We left on foot, in buses, on bikes, in cars, and eventually gathered at our beloved (?) Davis High. Some hit the cafeteria to munch on milk and doughnuts, others met at their lockers for a quick chat before moving on to class. Lastly a few sleepyheads could be seen scurrying in to beat the bell.*

## The Pace Eased After 2:10

*After retiring from classroom activities we tried to relax our minds. The athletically inclined had school sports to keep them busy. As for everyone else there were many things to get involved in, if you tried. But to do any of them money was needed and to get it some of us managed to get jobs. And that was a little harder to do this year. For the vast majority of us, however, the afternoon was for homework, reading, relaxing, games with friends or our own special hobbies.*

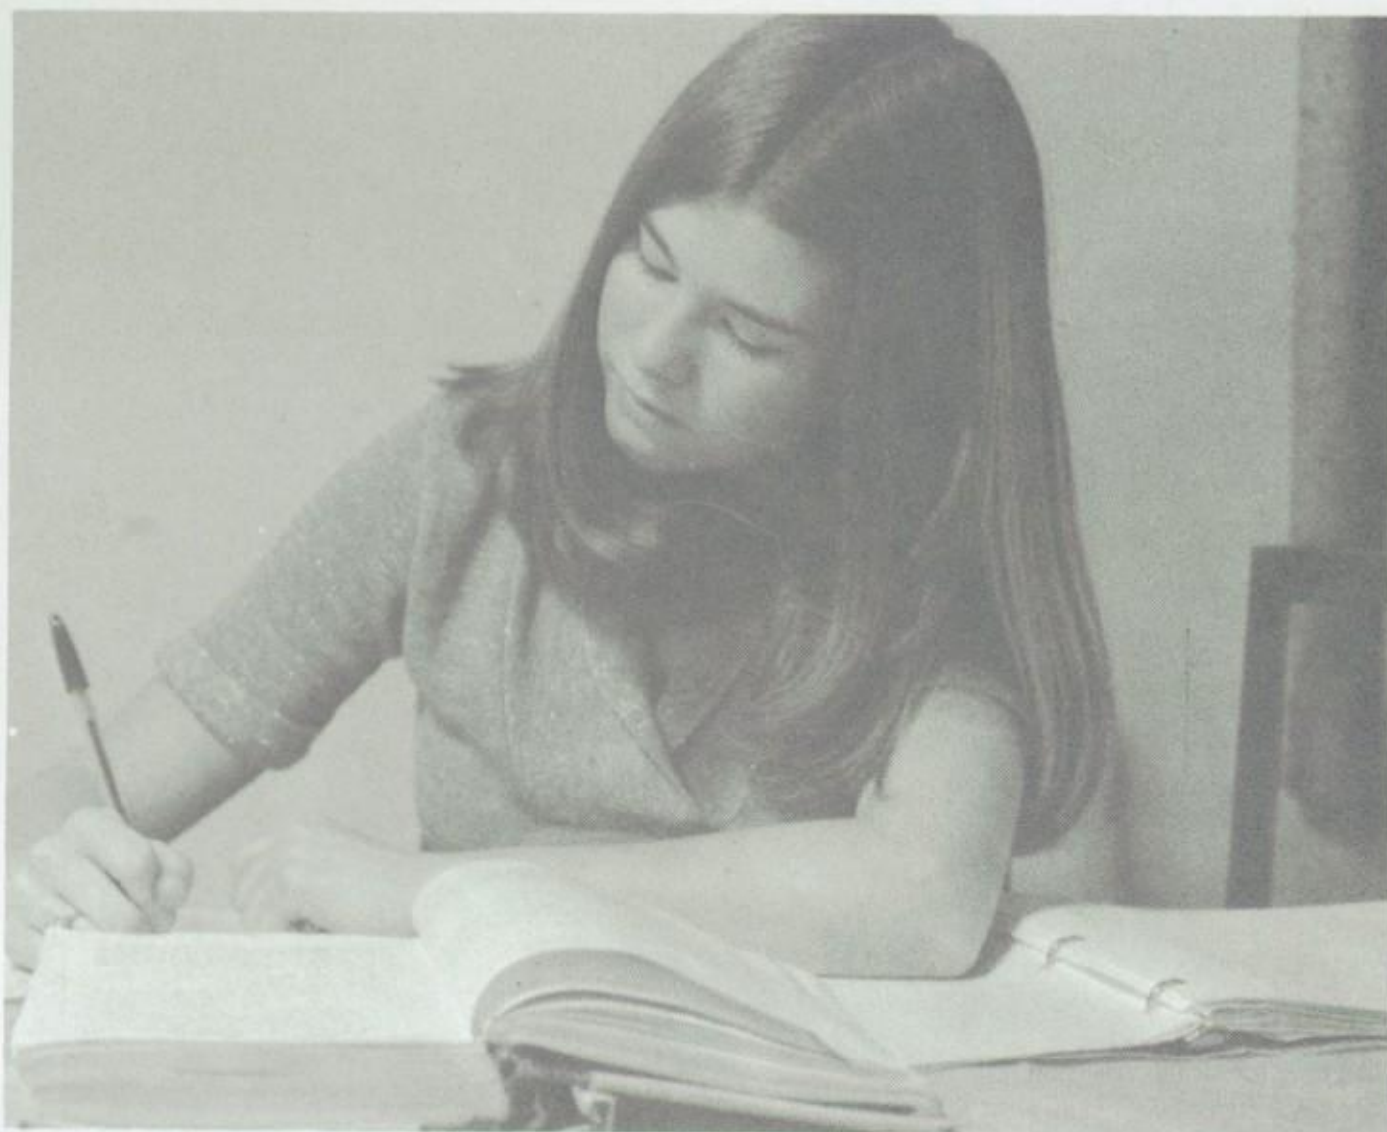

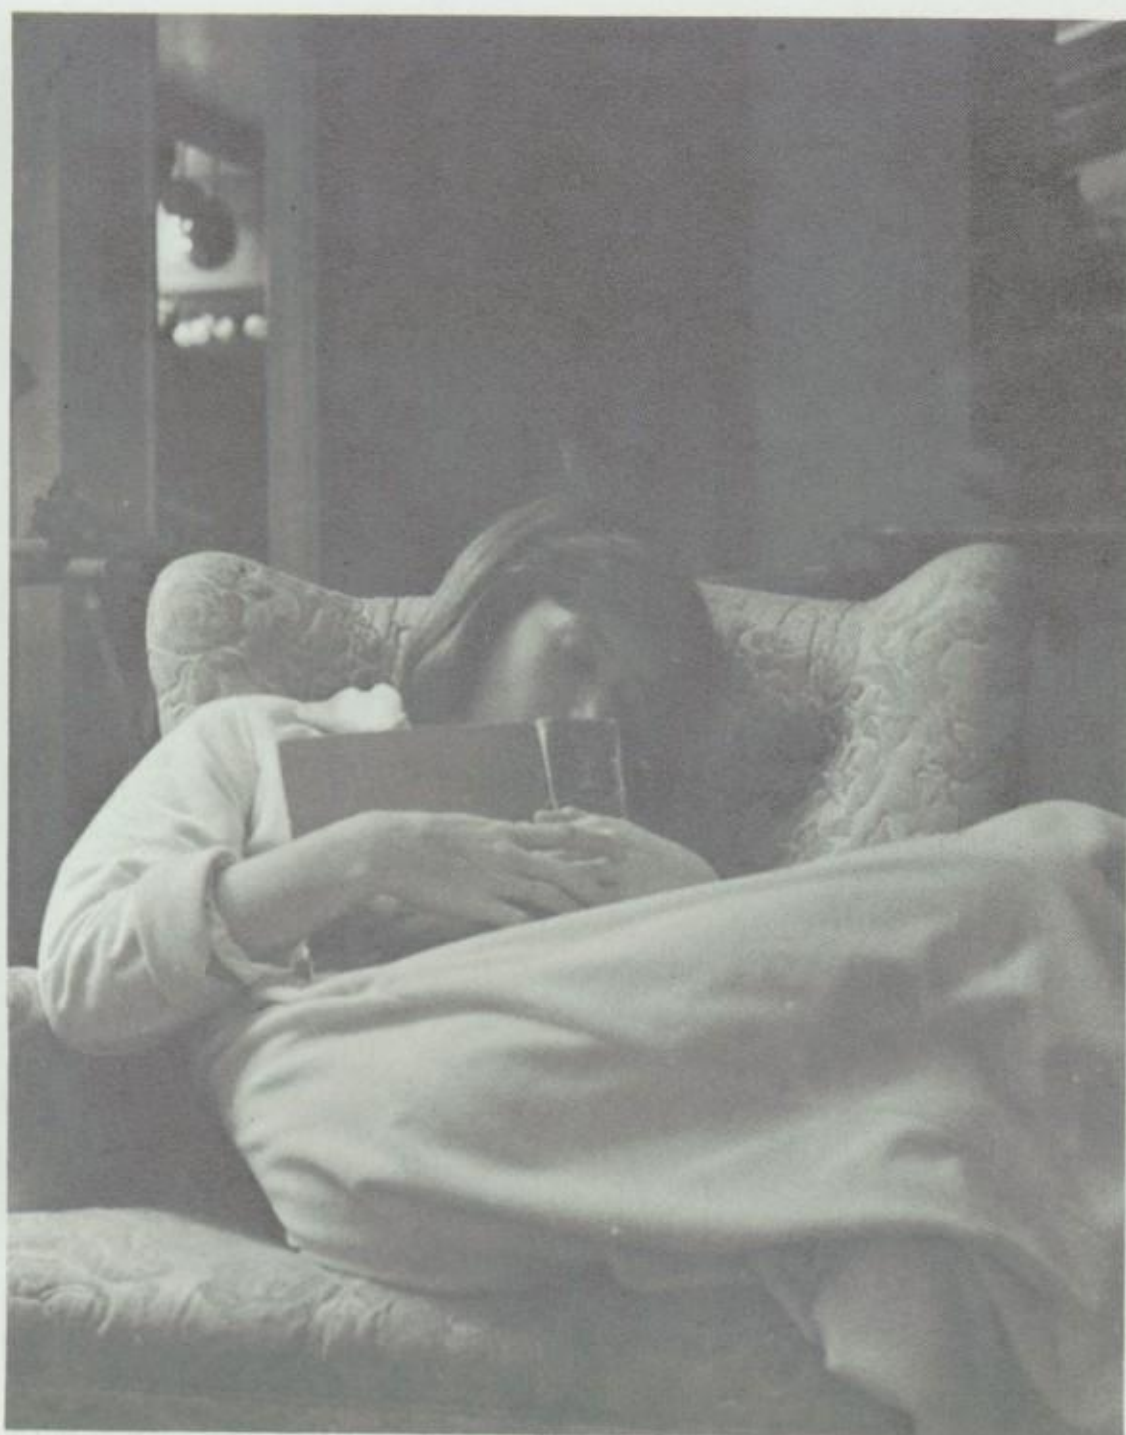

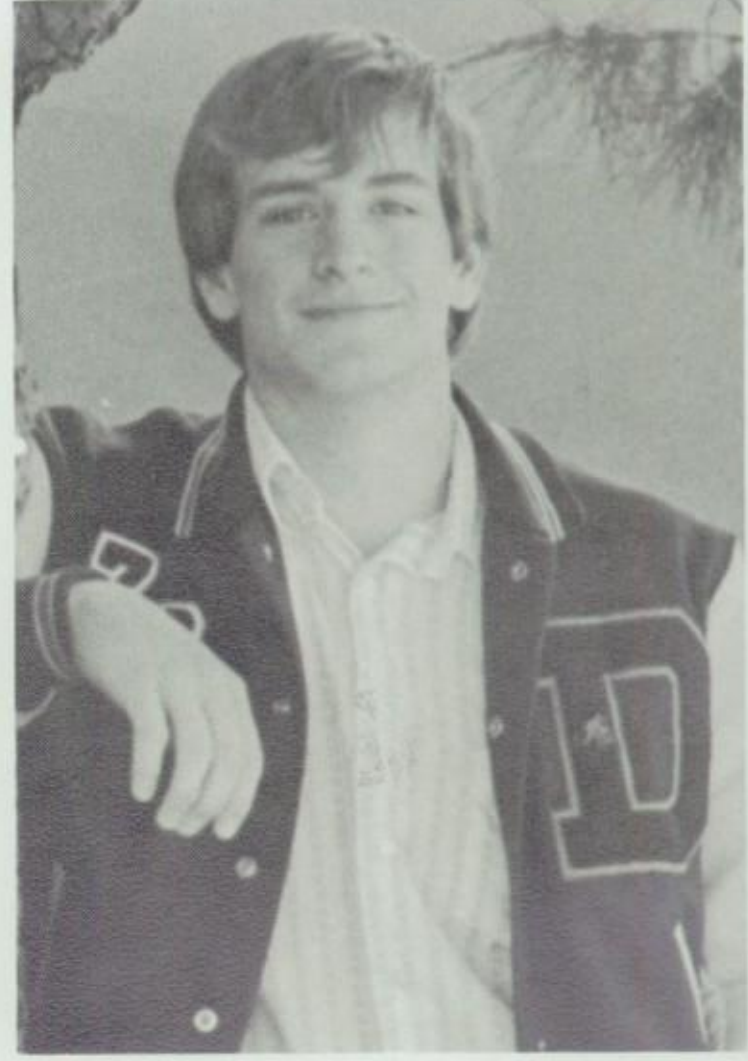

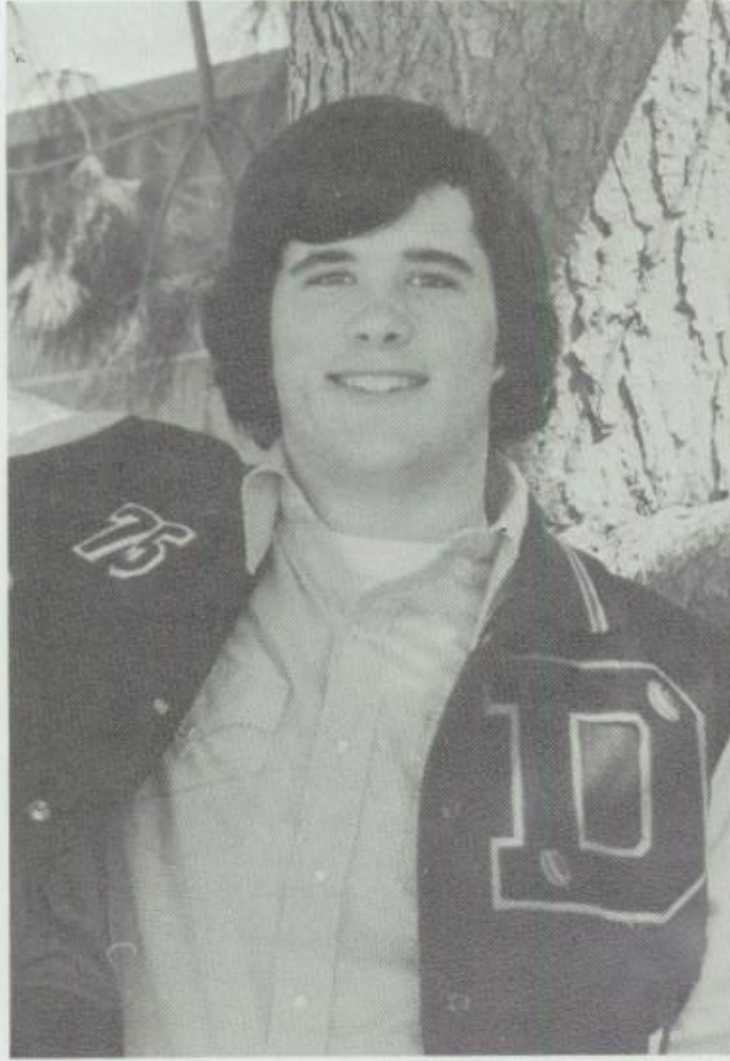

## A Varied Night Life

*The night life of Davis students was varied and unpredictable. Some went for the more exciting pleasures like movies, sports events and a hot date. Others enjoyed a quiet evening at home doing homework, watching T.V. or settling down with a good book. There was one thing that all these night owls had in common — trying to forget that there were only 10 more hours until school started.*

# A Year of Controversy

The 74-75 school year was one of challenge for student government at Davis High. The biggest challenges came from the students themselves who demanded that things be changed this year. To do this they elected Bret Thompson as Student Body President, to lead them in these revisions. Bret, aided by Vice President Rock Griffin and Executive Secretary Liz Pierson, led the student senate in revising the school's constitution and deciding the ever controversial issue of the student body budget. One of the major conflicts of the year occurred between the senate and the student store. The student store felt that they deserved a bigger percentage of the profits. The problem continued for several weeks, and even made the big time with a feature story in *THE MODESTO BEE*. Bret Thompson summed up this year's experience by saying, "It may have been a pain and a hassle but we did achieve something!"

Concert Choir size was considerably reduced this year. Because of this, they strove to achieve a lighter sound. Much of their time was spent planning a vaudeville show. At one concert this year, Choir collaborated with the Orchestra to perform Mozart's Coronation Mass.

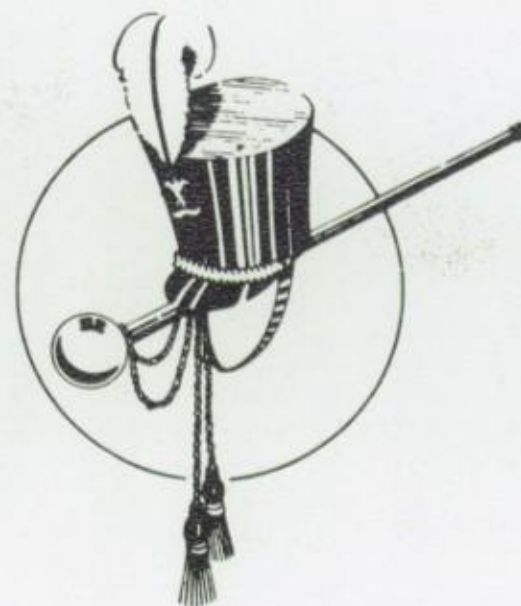

At the five home football games held this year, the Grace Davis High Marching Band provided colorful halftime entertainment. The Marching Spartans spent eight hours a week rehearsing: fourth period daily plus two afternoons weekly. They also participated in the U.O.P. homecoming Parade Band Contest, placing third in a class A division. They also played in a contest in Merced.

After football season the Marching Band turns into the Concert Band. Their first concert, the Christmas Concert, turned out to be a big success, as did their other concerts throughout the season.

Majorettes: Kari Olson, Cindy McKinsey, Penny Young, Margaret Eng. First row: Bob Gidley, Melanie Parker, Lisa Crawford, Gail Heisel, Kit McKlurg, Julie Zwalhen, Rita Rodrigues, Rhyno Zalfen, Judi Shiyomura. 2nd row: Dennis Tamo, Pam Summerlot, Debbie Rutishauser, Tracey Scott, Jana Heller, Diane Sparks, Laurie Schlecht, Kathy Kneel. 3rd row: Susan Knowles, Melanie Riley, Diana Johnson, Deanna Johnson, Gabriel Reyes, Alan Barrett, April Spencer, Carolyn Sanders. 4th row: Mark Colville, Karna Wittsell, Christine Morgenson, Jeff Bairey, Barbara Hurren, Gary Scheen, Bryan Edwards. 5th row: Phyllis Rowland, Margaret Rowland, Larry Weaver, Terry Carlson, Joe Forslund, Sonya Kinser, Tammy Miller. 6th row: Reed Esklund, Gale Fenton, Gail Embry, Scott Handler, Mike Loschke, Jennifer Miller, Stan Toal, Greg Elams. 7th row: Jennifer Handley, Terriann Harper, Lisa Palazuelos, Kirk Raymond, Chris Morano, Kathy Guptil, Ron Stover. 8th row: Eric Zwahlen, Jeff Boone, Perry Johnson, Kelly Downes, Mark Jensen, Fred Reyes, Larry Spellman. 9th row: Scott Williams, Steve Toal.

LEFT: Cindy McKinsey salutes the Spartan team.

# Aesop Rocks

At the end of September, Aesop came back to the Little Theater, and retaught audiences his fables. Only this time they were a little different. Aesop himself really didn't come, but it was the next best thing. Drama instructor Bobby Roberts directed an all student play, AESOP'S FABLES.

This play used contemporary rock type music. Audiences, children of all ages, were sent home laughing by this well played comedy.

# Drama Stirred Up A Witchy Brew!

Near the end of November, the drama department came up with one of its biggest hits—**BELL, BOOK AND CANDLE**. This delightful play was a romantic comedy with a strong dose of witchcraft added.

The most exciting thing about this production was the "in-the-round" staging which was a first for any local high school. This was a new experience for those who came, since the audience was seated around the stage. Though the cast was small, it was one of the best. Hats off to director Bobby Roberts who made this production of **BELL, BOOK AND CANDLE** A fine one.

The plot is that of the proverbial love story. Gillian Holroyd, a young witch, played to the fullest by Julianne White, falls in love with, and eventually casts a spell on Shep Henderson. Shep, played by pro actor Steve Iddings, is a man who doesn't believe in witchcraft or that Gillian could have put on a spell to make him love her. When he finally realizes that Gillian did put a spell on him, Shep is very angry and leaves. Gillian is filled with grief, and sees the error in her ways of witchcraft. She reforms to a life free of spells and potions, but still is unhappy because Shep doesn't love her. In conclusion, Shep sees that she truly does love him, and that she has abandoned witchcraft for him, so he returns to her. "After all," exclaims Gillian, "I'm only human."

## Drama Up In Arms

**ARMS AND THE MAN**, a well-known George Bernard Shaw comedy, was the spring drama production

The plot revolves around a beautiful young girl named Raina. While her fiancé is away at war, she meets the man of her dreams and falls in love. However, this perfect man, her chocolate cream soldier, is also at war, fighting for the opposition! Despite this and other conflicts, Raina and her chocolate cream soldier find happiness in the end.

The cast was an effective one with a mixture of experienced and beginning dramatists. This, aided by the creative blocking on a semi-round stage, made **ARMS AND THE MAN** a good and well attended production, memorable for all those involved.

# FFA Has Productive Year

*"Be nice now."- Jim Champion showing his prize boar.  
Photo by Pat O'Leary*

*It was a busy year for the Davis Chapter of the Future Farmers of America. With all that went on, it was a wonder that the three advisors, Jerry Pollard, Jean Landeen and Richard Nimphius, kept on top of it all.*

*The young farmers raised animals such as pigs, steers, heifers, sheep and boars on their laboratory farm and grew quite a variety of foliage in their green house. Both products were sold and judged at fairs, auctions, and sales. And so were the Future Farmers themselves. For instance, the pruning team coached by Miss Landeen, placed first and many other groups of FFA'ers were sent as judges in different meets and tournaments. The Chicken Barbecue was also one of the activities planned this year.*

*All in all, it was a year of experience and learning for the Grace Davis Future Farmers.*

*Back row, left to right: Jeff Harris- Treasurer, Ron Pollard- President, Pete Havens- Secretary, Bobby Caldwell- Sentinel. Bottom row: Terry Powell- Chaplain, Trish Mello- Historian, Dennis Thornton- Reporter, Vicky Amies- Vice President and Nanette Skeen- Chapter Sweetheart.*

## Asilomar Draws Leaders

*Asilomar, the girls leadership conference, is held each spring on the Monterey Peninsula. Representatives are selected by grade point averages and teacher recommendations. The conference is held for juniors, but girls elected as officers return their senior year.*

### Senior Asilomar Girls

*Zoomsma gas men, better known as the Senior Asilomar Girls, returned this spring with the title of Vice President. Their candy sale and other fund raising events proved successful. The senior's advisor is Yvonne Taylor.*

*Back row: Andrea Zoodsma, Sue Conway, Susan Soderstrom, Jayne Setaro, Robin Heinrich. Front: Sue Wahlrab, Ann Foote, Kay Halliday.*

## Club Bounces To A Start

*The Ping Pong Club consists of students who enjoy spending one night a week ping ponging. It's a relatively new club in which no inter school matches are played although one or two intra club tournaments are held a year.*

*Pictured are club advisor Mr. Richard DeWolf and the one steady club member, Steve Iddings.*

## Junior Asilomar

*The Junior Asilomar Girls' annual Christmas bread sale was a success. At the conference this year the juniors had a real "heart-warming" time as the theme for the conference was "Light another's candle, but don't put out your own." The junior's advisor is Jan Buchanan.*

*Back row: Julia Weber, Lynn Line, Pam Davenport, Tammy Delaney, Anne Winton. Front: Janet Duke, Mary Bekedam, Julie Borley.*

## Soccer Has First Season

*Because of the interest in soccer at Davis, its first club was started this year. The Club's purpose is to educate its members in the intricacies of the game and then compete against clubs from other schools.*

*Back row: L. Gremp, A. Basi, R. Herman, B. Gremp, T. Kuehle, B. Marks, D. Acuna, M. Sessions, A. Arnold, J. Bodeson, Coach Figeroa. Front: C. Ewert, K. Kopp, M. Schmidt, J. Hoffman, A. Jackson, A. Cahill, R. Yxta, E. Yxta, N. Kumar, C. Zimmermann.*

## NFL Competes

Debate topic this year for the National Forensic League was "Resolved: The United States should significantly change the method of selecting Presidential and Vice Presidential candidates." The club competes in debate, oratory, extemporaneous, impromptu, humorous and dramatic speaking.

Back row: Mr. Phillip Bravard, Steve Schutze, Dave Scheuber, Greg Pierson, Robbie Egal, Larry Trott. Front: John Dickman, Dave Watts, Kay Halliday, Sue Conway, Jenny Dolman, Jill Armstrong.

## Muse Captures Reflections

The MUSE staff wrote all types of creative literature, while analyzing the writing of other students, with the best works going the 1975 MUSE.

Back row: Susan Conway, Jeri Glatter, Claudia Parks, Mary Bekedam, Betty Newsom, Ms. Dorita Nicholson. Front: Curt Zimmermann.

## Jokers Go Wild!

Although small in number, the Jokers Club met every other Wednesday and indulged in some crafty card playing. According to Art Ito, "We play for fun, just to see who can win." Math instructor Hershel Morrison is advisor.

Clockwise: Frank Belcher, Gus Baldauf, Martin Schmidt, Art Ito, Richard Babbington.

## Journalists Join National Society

Quill and Scroll, the International Honorary Society for High School Journalists, had 13 members—a record high. Gold pins noting accomplishment in journalism were awarded throughout the year and members received QUILL AND SCROLL magazines. Advisor is Mrs. Gertrude Hogue.

Back row: Howard Wesley, Jim Kogeones, Debbie Bunce, Linda Brown, Carol Craven, Lynne Cummerow. Front: Craig Ewert, Tami Baird, Donna Reyes, Bruce Benningfield.

# Drama Produced

Thespians are an elite group of drama club students who have worked on various drama productions for 100 hours or more. This year 10 lucky Thespians, accompanied by advisor Bobby Roberts, took a 10 day trip to London during Easter vacation. To make money for this trip, dedicated Thespians worked on concession stands, had a Christmas carnival and car washes, besides four major productions and puppet plays for elementary schoolers. They were busy! Voted the most honored Thespian was Senior Debbie Baker.

Clockwise, sitting on bench: Julia Weber, Robin Fowler, Steve Iddings, Dave McNamara, Suzy Palmie, Pam Leri, Debbie Baker, Julianne White, Ann Laun. On the ground is Dave Mackie.

This year's Drama Club was one of the most active in years. Besides taking classes in drama, members took trips to various schools for productions and workshops and to the San Francisco Conservatory Theatre. This year's president was Debbie Baker.

Top row: Rebecca Sawyer, Terry Mize, Robin Fowler, Denise Ostler, Curt Zimmermann, Joe Caprai. Third row: Dave Mackie, Steve Iddings, Steve Teresi, Dave McNamara, Victor Herrera, Rob Walsh. Second row: Mary Newsom, Ann Laun, Diana Dillon, Dave Benjamin, Andrea Zoodsma, Pam Leri, Suzy Palmie, Joel Youngheim, Debbie Vance. Kneeling: Julia Weber, Julianne White, Debbie Baker.

Shulo's house! SEE YA SOON don't work at my house love, John Stein

## Spanish Club, AFS Are Big

*Que paso con Spanish Club este ano? No mucho. No big trips were planned this year. No big inter-school parties, no dances and yet Spanish Club was one of the biggest and most stable clubs at Davis. Could it have been because attendance earned points?*

### AT LEFT:

*Headed by Madame Betty Sacknitz and Mrs. Katherine Baggett, the American Field Service club held monthly meetings and sold suckers. The only problem was that Davis didn't have a foreign student. Even so, the club sponsored other students in the area.*

## FHA, Business Sell Goods, Serve Others

*Future Homemakers of America is a national organization which, for Davis, is a social and service club. The 11 members help others while having fun themselves. In the past, they've served by making things for convalescent homes. This year they worked on the Christmas Fair put on by the Home Economics department. Club advisor is Mrs. Beverly Forbis. President is Sharon Durham, Vice President-Kim Terrill; Kathy Barboza is Secretary and Erna Cappell is Treasurer.*

*Back row: Denise Cook, Kim Terrell, Mrs. Forbis, Debra Rylant. Front row: Sharon Durham, Kathy Barboza.*

*Your sweet tooth was probably satisfied at one time or another by a Business Club (pictured below) concession stand. When Thanksgiving rolled around, free food baskets were given to the needy.*

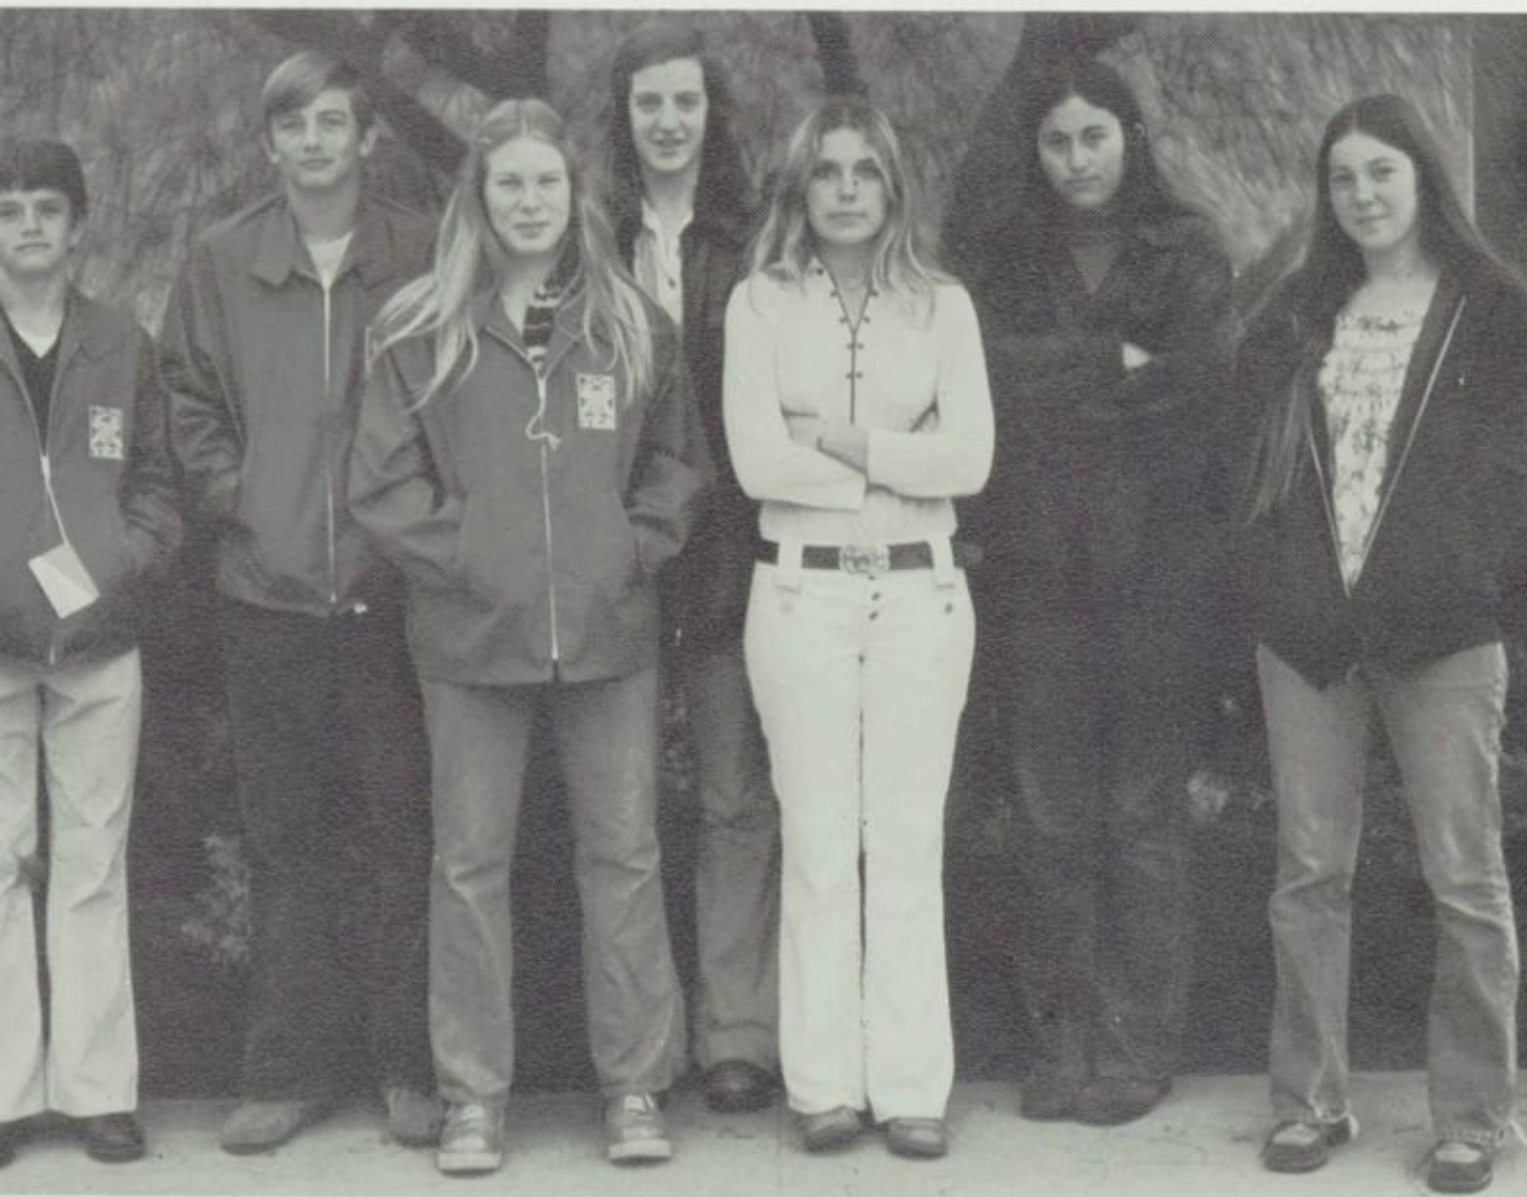

## Block D

Back: Paul Hornberger, Don Gaekle, Rich Sasser, Bret Thompson, Dennis Mende. Middle: Bret Smith, Larry Brinkley, Sean Genest, Bob Marks, Tim David, Steve Hardin, Ruben Nino.

Front: Greg Pierson, Bruce Clark, Dave Cipponeri, Dan Cipponeri, Steve Fuzie, John Hornberger, Skip Roberts.

## VICA

VICA, a national youth organization for Vocational Industrial Education students, was new to the Davis campus this year. This year's officers were Terry Powell-president, Garry Grainger-vice-president, Rene Weldy-secretary, Julie Monk-historian, Bill Dunford-parliamentarian, and Gene Fowler-chaplin.

Gene Fowler, Mike Richards, Terry Powell, Julie Monk, Ninette Dimos, Rene Weldy, Wanda Grey.

## Chess Moves

*For the fourth consecutive year the Chess Club has remained the powerhouse in the chess league. They raised money working in concession stands to purchase chess pieces, boards and clocks, and to finance a trip to the U.S. Championships.*

## S Club Helps

*Throughout the year the 33 members of the S Club provided smiles to various organizations. They held a can food drive for the Salvation Army, with the food given to the hungry. They also helped with Teacher Appreciation Day.*

## Key Club Aids

Key Club is a club made up of young men dedicated to the enrichment of this community. Key Club is sponsored by the Modesto Kiwanis Club and the two work closely together. Some of the projects undertaken this year were selling Halloween Insurance and the sending of clothes and gifts to an orphanage in Baja Mexico for Christmas. The officers are Jay Lawton-president, Larry Ammerman-vice president, Blain Diniz-secretary, Larry Trott-treasurer.

## CSF Studied Hard

The California Scholarship Federation started slowly this year, but soon gained a large membership. To qualify, students earned between an A and a B+ grade average for a total of 10 points. Mr. Robert Stuart and Mrs. Charlotte Peck were club advisors. Senior Dan Shepherdson was elected president, while fellow seniors Betty Newsom and Liz Pierson were chosen vice-president and secretary-treasurer, respectively. A trip was planned and a committee was formed to raise money for scholarships to Life Members.

# '74: A Swimming Success

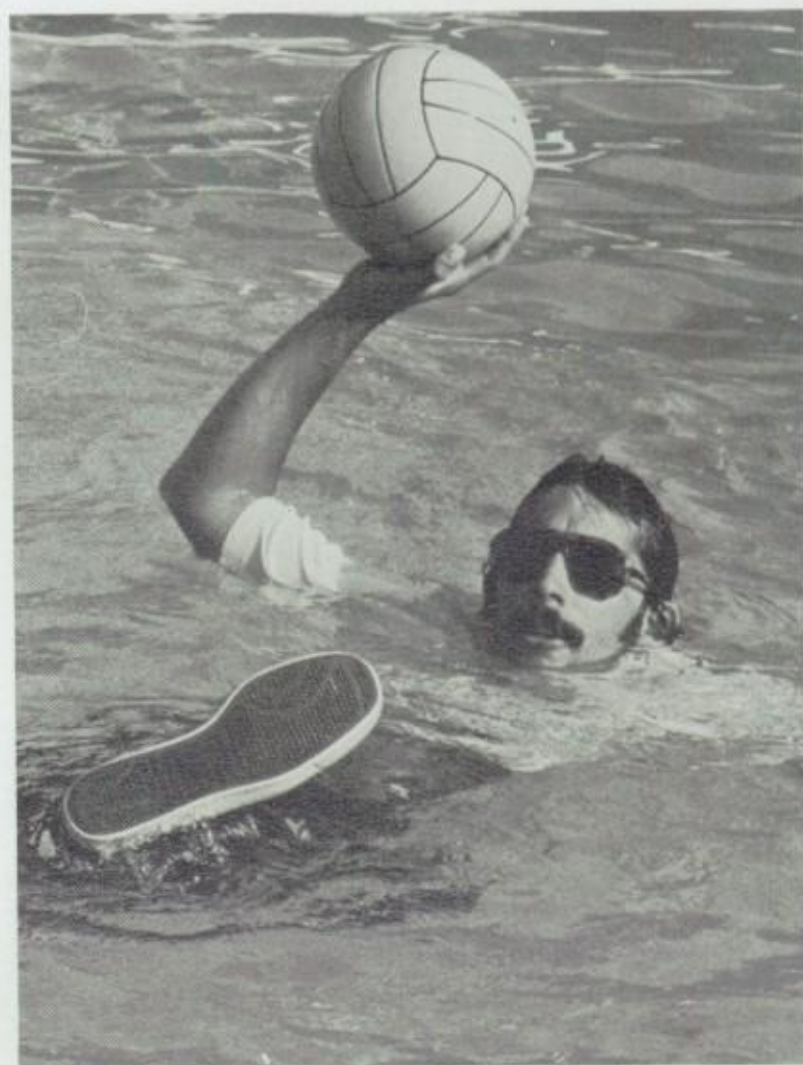

*Coach Dennis Nugent*

After only three years in water polo competition, the Davis High Varsity Water Polo Team finished second in the CCC.

To build up for the endurance that this sport requires, the coach had the team practicing every morning before school and every afternoon. The parents were one of the main supports of the team this year. The players had their own rooting section and punch providers in them. Water polo was represented in the rallies this year with the Rally Exec giving the players a few bananas and such (Right Rod?!). All in all, it was a great season for the Swimming Spartans and their coach, Dennis Nugent.

The team splashed up many victories in their 1974 year. An upset came in the middle of the season with a loss to Merced High. But the young team came back and finished second to the powerful section champions of Beyer. When at the sections, the Spartans beat Tracy 12-7, and came back in their second game to sink Del Campo 6-5.

Standouts included Randy Fowler (Best Defensive), Bret Smith, Bruce Clark (Best Offensive), and John Hornberger.

Third row: Jeff Van Horn, Ken Krum, Dean Clark, Guy Cantwell, Jim Barton, Gale Fenton. Back row: John Crist, Jim Thomas, Chris Fuzie, Jeff Keene, and Jim Morzella.

With an 8-6 win loss record, the Frosh-Soph H2O polo players had an exciting year! The sophomores on the team looked very promising for the Varsity team next year. Rod Swartwood, Bob Seymore, and Jim Thomas all showed strength in their sport. A lot of potential was seen in the young swimmers.

They practiced morning and night along with the Varsity team. This meant having to wake up about 5 am, and plunging into the cold pool. After the exhausting workout, you make your way to the gym, through the dark before the water freezes onto you. Then you make it back home and glance at your warm bed, but it's time for school, so you cram a doughnut in your mouth and rush, soggily to school.

As 7th period arrives, you're ready to go home and relax in front of the boob tube, but it's time for another workout! Thus goes another water polo player's day.

Water polo players participated in many activities this year such as Bee-Bop day. Below you see "cool" Cliff Schaefer, Randy Fowler and Rod Swartwood. And no, "Duke" Reyes isn't screaming, just trying to block a shot in his usual style. Upper left: Dig that bod, Superstar!!!

Bottom row: Jim Falco, Bob Jertberg, Jess McKaughan, Tim White, Bob Jenson, Chris Garcia, Jim O'Brien, John Richards, Russ Owens, Vince Price, Dave Bobbit, Steve Shively.

Coaches, left to right, Jim Winnery, Larry Nigro, head coach Mike Burrows and Jerry Houser, put together a freshman football team to be proud of. Their overall record was 6 - 2. The youngest Spartans were tough this year, with a fine running attack and a strong defense. They practiced every afternoon except on game days and proved to be a tough club of ball players. They'll be worth watching in the future.

*Rising to the challenges in life requires stamina, strength and courage on the part of each individual. Because the odds are against always coming out on top, the true challenge becomes the striving itself, the reaching for that elusive goal of perfection, and winning is the knowledge of doing the very best one can.*

*Starting out as number one and staying there is one of the hardest things a team can face. Yet that is what the 1974 Varsity Team was up against. Preseason games and scouts put them there and the team held their position well. The Spartans were together this year, not only on the field and at practice, but together as people. They met at nights before the games at team mate's or coaches' homes and built strength within themselves, which was reflected on the field.*

# Unity Built Strength

Marvin Ghan

The first game was a 34-0 win over McClymonds High of Oakland. The game started off with a scoreless first quarter, but soon livened as the McClymonds punter was rushed and Davis took over at the 24 yard line. From there, quarterback Bruce Parker moved the ball to the seven yard line and Mark Donohue carried it over for the touchdown. The game continued with Davis dominating the entire show. The only letdown for Davis was the loss of Donohue, the no. 1 fullback, who tore cartilage in his knee and was sidelined for the rest of the season.

The next game was dedicated to number 34 Mark Donohue. Again the score ended 34-0. Very curious indeed, as it was the second game in a row to do this, and was the same number as the dedicated player.

The jinx was broken during the third game, but not the winning streak. The score against the St. Mary's Rams was 13-0. The game was tough, as the Rams defense was up for the Spartans, yet Parker and runningback Tom O'Brien pulled through for the points.

"Davis Snaps Downey Win Streak" was the headline in Sunday's paper, after Davis scored a 20-6 victory over cross town rival Downey High. Downey had been playing on a 17 game winning streak and had been Conference Champions for the past two years, but just could not muster up anything against the powerful Spartans. Tom O'Brien made his impression against the Knights but unfortunately, he and the team paid for it. Late in the game Tom fractured his ankle, and as it turned out, kept Donohue company on the sidelines the rest of the season. New and unexpected things were happening on the field this season. Parker, who is known mainly for his arm, was running, and a little guy who didn't play his junior year was kicking field goals and doing a great job of it, too. Jim

Shively, who was injured later in the season, kicked 14 field goals out of 20 attempts. The Davis defensive line was powerful and held their opponents to 86 points all season, while the offense scored 255 points against their rivals.

Pysch was the word of the night when the Merced game rolled around. Davis was the team to beat, and Merced was up to challenge. Davis mistakes enabled Merced to score early in the game and they seemed to take advantage of this the rest of the night. Merced later went on to win the Conference title and the Turkey Bowl. Davis was beaten, but only once. After the Merced game things returned to normal.

Turlock was another game to remember. The score was 20 to 10 with almost all the points scored in the second half.

Though Davis threatened twice in the first half, the Bulldogs held them. In third quarter action, Mike Munthe carried the ball down field, then Parker hit Drehne Pearce for a 21 yd. touchdown pass. Davis was sparked up and made another touchdown right after that. Turlock scored once more, but again Davis came back when Parker found Pearce, this time for a 39 yard TD pass.

0-0 is a depressing score, but that's how the Davis-Beyer game went. While Davis had a statistically better game, Beyer's defense would not buckle under pressure. Munthe, now the leading back, made 95 yards in 18 carries and Bob Loretelli intercepted twice.

As Bruce Parker threw over the 1,000 yard mark, the Spartans won another game against another cross town rival. The Modesto Panthers lost to Davis 25-10. Mark Rentziperis, Tom Knipple and Jeff Torre recovered fumbles with Ruben Nino and Bob Loretelli picking off.

interceptions. During the game Munthe scored three TDs which left the Spartans with a 3-1-1 league record. The Atwater game was freezing cold, but the Spartans were hot, as they ran over Atwater, 35-7. It was the last league game and Davis showed the Falcons where they stood. There is no better way to end a season, than the way Davis ended theirs. The score against Lincoln was 48-20. Everyone got to play and many exciting things happened. Nino made three TDs, Pearce made two and Munthe added another. Rentziperis intercepted a pass and ran it back 60 yards for the touchdown. Jim Gagliardi received the opening kickoff and ran it back 76 yards to the Trojan nine. Sid Cruz caught a pass and Pearce caught a 50 yard one for one of his touchdowns. The last game topped off the season perfectly. First Team All Conference included Bruce Parker, quarterback and also Best Defensive Back, Bret Thompson, offensive tackle, Sid Cruz, linebacker, Ruben Nino, wide receiver, Dave Cipponeri, defensive lineman and Mike Munthe, offensive back. Second team included Mark Rentziperis, linebacker, and Bob Loretelli, defensive back.

The Davis Sophomores, coached by Jim Crum and Dennis France, had a beautiful year. There were rarely any mistakes and many great moments. The young Spartans were one of the physically smallest teams in the league yet obviously the toughest as they took the CCC title. They ended with an 8-1-1 record.

The team this year was a team of young men, who decided early to put it all together and come out winners. This they did, and did it well. With standouts Fred Pena, Dennis Luond, Russ Fox, Doug Thorpe and Vince Vella, the sophomores showed the other teams what was happening.

The sophomore Spartans can hold their heads high, for starting at the bottom and ending at the top is not an easy thing to do. Congratulations team and good luck in the years ahead.

# Junior Team Finishes Seventh In Sections

*Cross Country this year was very different from any other year at Davis. With the addition of a new coach (Ed Maurice) and the subtraction of dual meets, it all added up to a pretty successful year for the team.*

*Training was held from one-thirty 'till three or later every day, including weekends for dedicated runners. Many worked vigorously to meet their personal goals in running. Work-outs included intervals (repeat running) and ultra-long distance runs.*

The Frosh-Soph Cross Country team showed impressive depth this year. Number one runner was George Ortega, who finished in the top ten of every race he ran, and was voted most valuable runner at the 1974 Fall Sports Banquet. Ortega ran the three mile race, and averaged around 16 minutes, which is superior for a soph. Norm Zvizne, voted most improved runner, pushed Ortega all year long. Zvizne will be one of the top all time runners at Davis at the rate he is improving.

Gus Ortega was number three man for the team, as he and Herman battled it out all year.

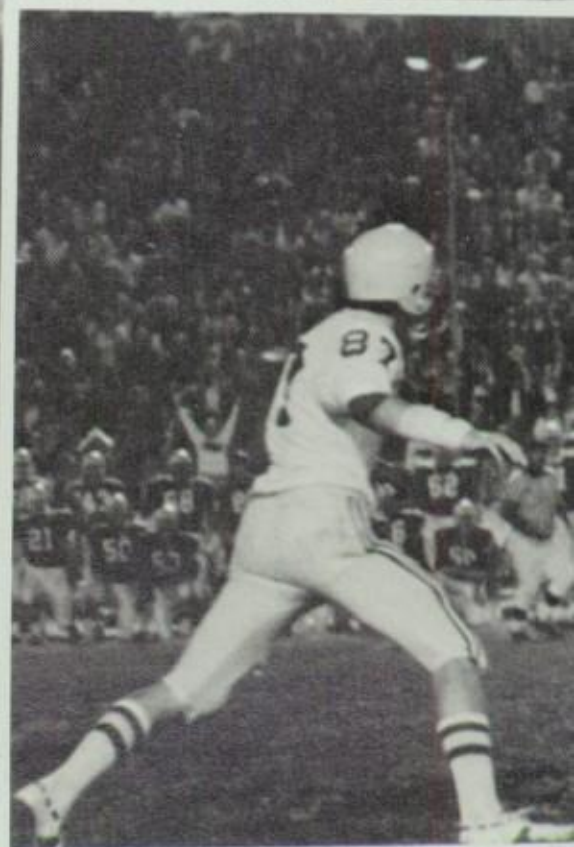

Paul Mende and Gordon Enas will be back for the three mile again next year, also.

The Sophomore Basketball season was rough this year. There was stiff competition between all the schools and although Davis had the ability on the team, they were struck with a few mistakes and a slow start, which caused some trouble throughout the year.

This is the first year that all the young Spartans played on the same team, in fact many of them played on opposing teams in junior high, but Dennis France, who coached them their freshman year also, has given them a good foundation, and if predictions come true, Coaches will have a lot of potential in the years to come.

The 1975 Varsity Basketball team started off the pre-season with a loss to the Tracy Bulldogs, but then sprang back to top East Union. A heavy graduation loss hurt the hoopsters, with four of five starters leaving. Although young, the team has shown impressive depth, winning the Modesto Tournament, beating Edison (who beat the thundering Elk Grove team) and has come back from behind to win numerous thrillers.

Leading the Spartans this year was Stan Jeans, who was the top scorer, in several games. Junior Bob Loretelli, 6'4" Gary Robertson and Jim Ollis formed a strong backbone, and will be back next year for the three time defending Conference Champs. Ruben Nino and Dave Laude also helped the team immensely.

The Davis High Wrestling team, coached by Dan Gonsalves, grappled through a 1974-75 season. Led by '74 State Champion John Azevedo, the team showed impressive depth all year long. In the Davis Invitational, 10 men placed in the day-long event. Tom O'Brien, who came back from a broken ankle, pinned down the third spot in the 154 weight division. Rick Garcia and Rock Griffin took runner-up awards along with Jim Gagliardi. The individual meet champs were Rob Burkett (129 lbs.) and John Azevedo (122 lbs.). Fourth place awards went to Tim Beam and Tim Nesmith. Azevedo was a finalist for the SOS Prep Athlete of the Year, which was won by Davis' 1974 graduate Doug Streeter, basketball star who is now attending MJC.

Some of the great wrestlers on the team include Bob Monn, who wrestles heavyweight for the Varsity, Jeff Ross, Ralph DiCosimo and Charles Estrada.

The team also competed in invitational meets and should be good in '76.

# First Year For Co-Ed Gymnastics

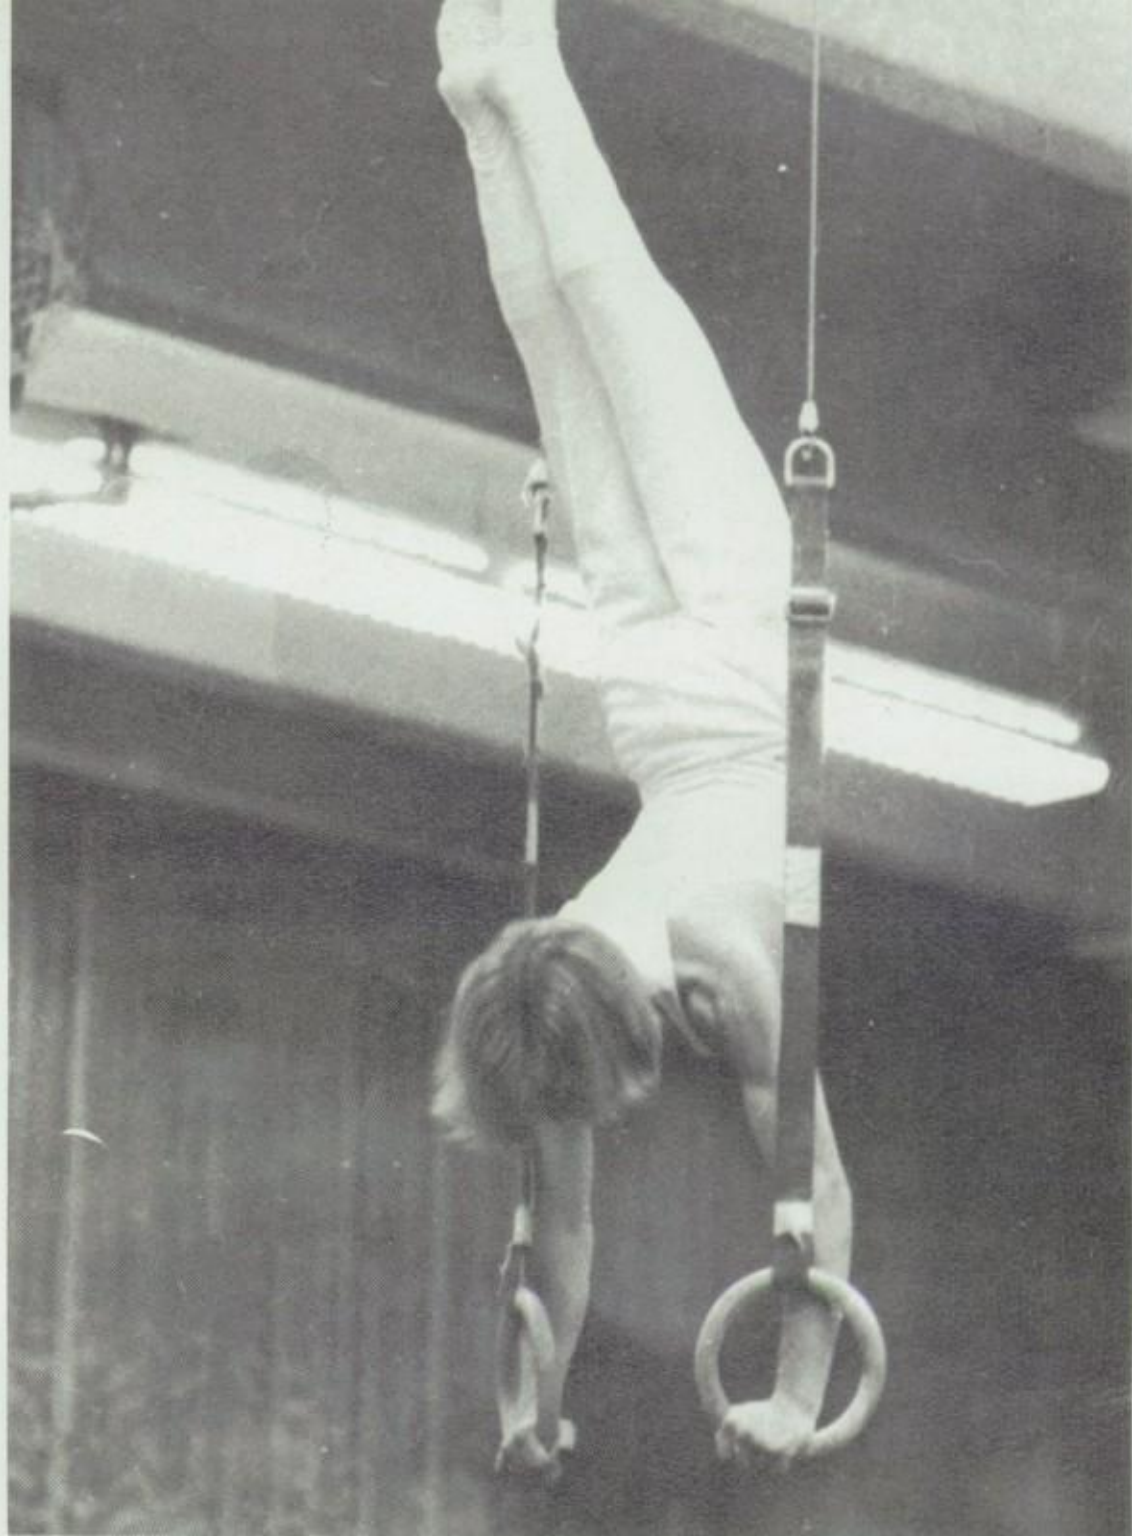

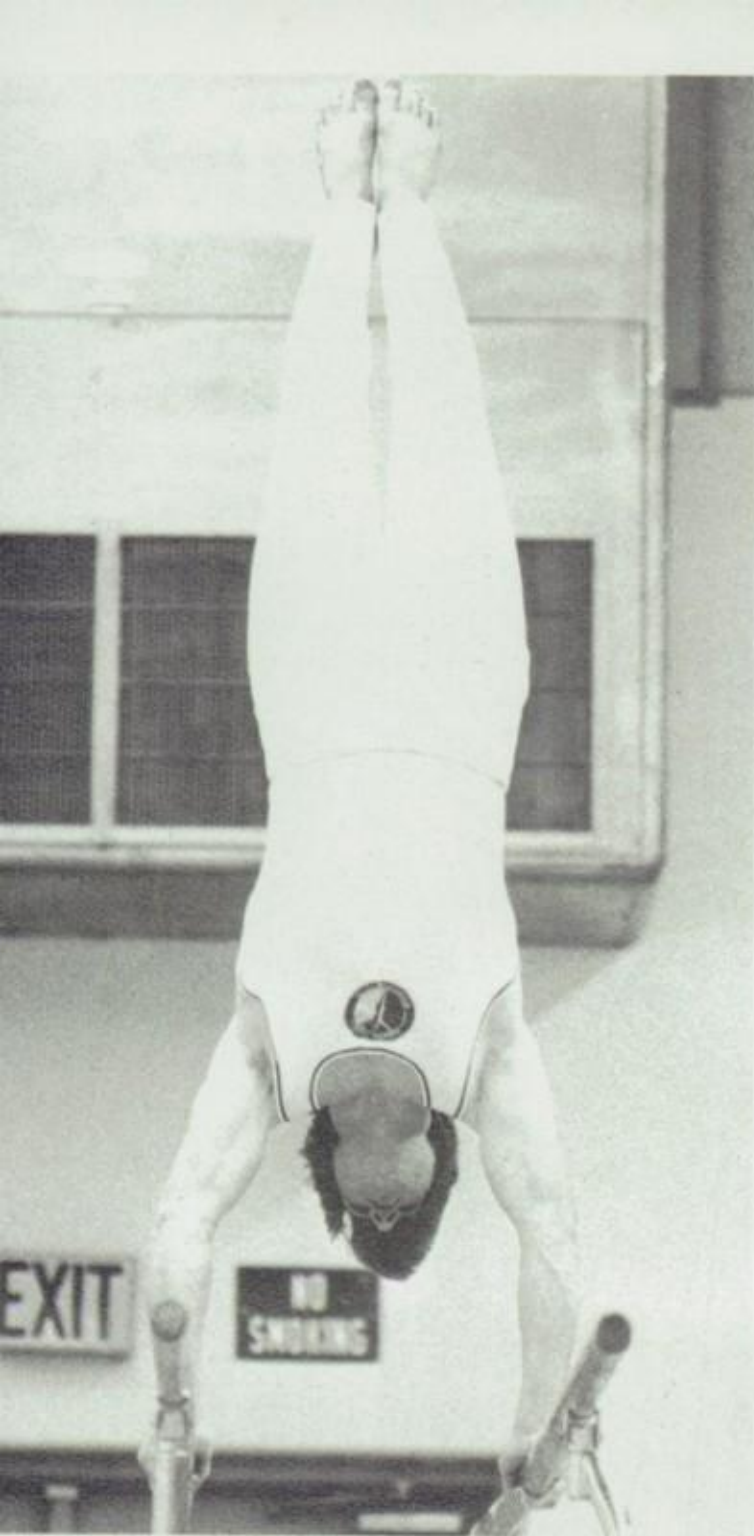

The gymnastics team worked hard all season, with vigorous workouts, striving to excel and become the best in one's competition. Davis held a large Nor-Cal meet which brought together the best girl gymnasts from 45 other schools. Some of the girls competing included Lisa Toca, who finished first in the all-around category and qualified for the Elite meet in Santa Cruz, Brenda Hayes and Dee Chambliss. Boys on the team include John Forney and Rick Sullivan. Margaret Hodge and Dick Erler were the coaches this year.

The first type of competition that the Gymnastic Team entered this year was Compulsory. To enter these meets, the girls learned standardized routines and were judged mainly on their skill in performing the routines as perfectly as possible. The Davis Team did quite well, as about 10 of the 25 girls qualified to travel to Sonora to compete in the Northern California Section II Qualifying Meet on January 11.

The second type of competition, Optional, began late in January, with gymnasts developing their own routines during strenuous practices. They were judged on originality, techniques, and style, as well as skill. The Inter-League Invitational Meet and the Northern Cal. Section I and II Optional Meet, were held on March 12 and March 8, respectively, in the Davis Gym.

# Dancers Leaped Into

This year the Dance Production class tried to concentrate on spreading dance into the community. California Dance Educators Association held a High School dance festival in which thirteen Davis dancers participated. Kathy Buck, a senior dancer, worked with the Modesto Parks and Recreation department teaching youngsters dance basics.

Production people rehearsed two hours daily: one hour for technical training and one hour for choreographical training. Says instructor Jan Buchanan of her dancers, "Their technical ability increases each year and this year is no exception."

*Repertoire in Motion is a newly formed dance group at Davis. R.I.M. was specially created to go one step beyond the Production class. This seven member ensemble has traveled statewide as well as citywide to entertain at meetings. They rehearsed Monday, Wednesday and Friday mornings at 7:00 am. The R.I.M. dancers were chosen by auditions held at the beginning of the year.*

Tennis at Davis has been traditionally a highly competitive sport, and this year was no different. Coached by Ted Meyers, the Varsity team served up a tough, successful season. Led by Andy Arnold, Julie Borley, Kirk McLeland and Steve Childs, Davis had tough competition from Modesto and Beyer. The loss of #1 ace, Kevin Cahoon, did not hurt the team as the underclassmen showed much strength and power on the court. Practices were held after school as the team strived for one goal—to be the #1 school for tennis.

Davis' Varsity Golf Team chipped away at their competition all year long. Richard Lorenz, Bob Marks, Jim Shively and Greg Ingram were the top golfers on the team as they returned from a successful '74 season, (second in the CCC and fifth in the section).

Some of the regular greens the team played at included Del Rio Country Club, Dryden Rancho Del Rey and Spring Creek. The team looked forward to a good year from the beginning, with hopes of winning the CCC title, and at this writing, it looks like they will. *As of this writing, there had only been three swim meets and the Varsity Swim Team swam away with all of them. Beating Modesto, Atwater and Stagg was quite an impression to leave. Workouts were before and after school, Tuesday thru Thursday, 6:00 to 7:00 and after school Monday thru Friday, 1:30 to 3:30. Bruce Clark and Bret Smith were a couple of the team's fastest swimmers, but Jon Olson, Don Gaekle, Bob Seymore, Greg Pierson and John Hornberger were close behind. The team was greatly looking forward to the Conference Sectional Tournament, where they would go all out for their best time of the year and hopefully a second place standing in the CCC swim competition.*

*The Girls' Tennis Team, coached by Bev Gilmore, started out the year as the Advanced Tennis class. Meets began during the spring semester and thus the girls turned competitive. Their schedule was identical to the Varsity team, the season lasting from March to May.*

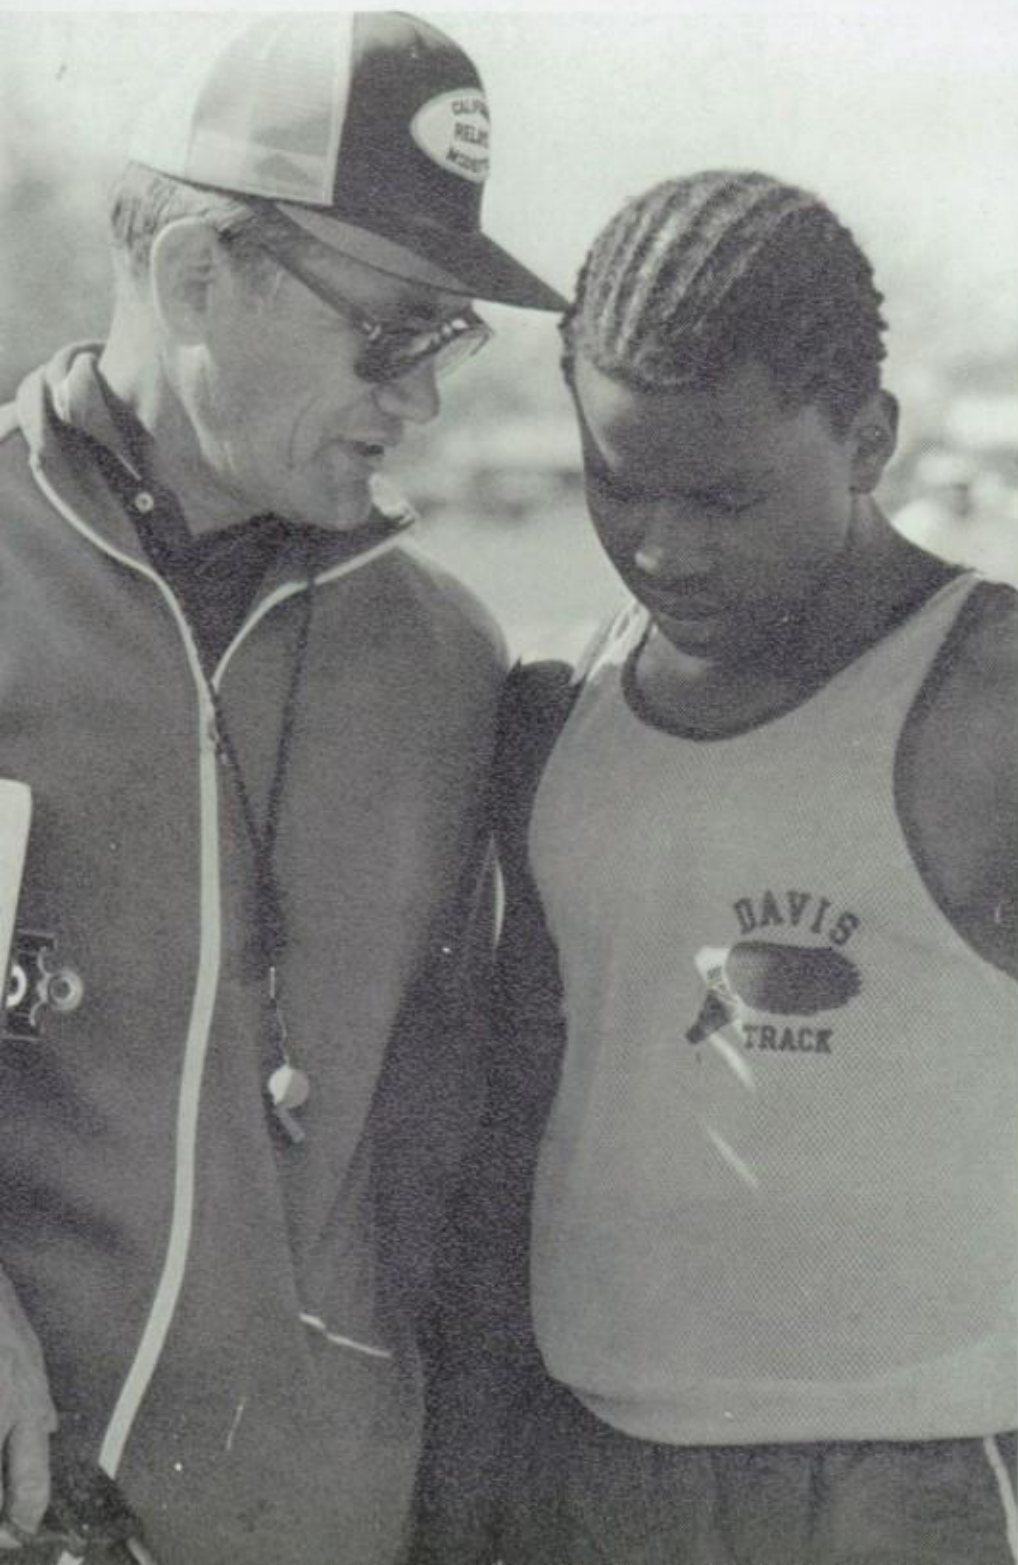

*Back row, left to right: Lynn Scott, Andrea Zoodsma, Kris Lindberg, Betty Newsom, Ina Moser, Rose Wilson. Front row: Renee Allec, Diana Dillon, Sandy Monk, Liz Pierson, Jamie Feller, Vickie Castro, Carol Dillon.*

# Retiring Coaches Stay On To Teach

*As a coach, Carl Parrill was respected by his teams, his fans and even his competitors. Rated as one of the best coaches in the area, he led his teams to four City Championships and later to two league titles. He himself was named all league coach two times. Known for his firmness and control, he was easily understood as a coach and was easy to communicate with as a person. It will be tough to find a basketball instructor to replace retiring Coach Parrill. The student body gives thanks and gratitude to Carl Parrill for the many years of dedication and work he put in to make Davis one of the big names in CCC basketball action.*

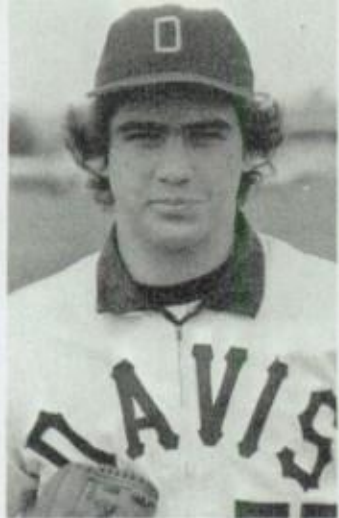

*Mr. Clarence Fauskin, coach of the cross-country team and distance runners on the track team, has called it quits after over ten years. Many athletes regarded the once college mile record holder as the best around because of his concern and care for the individuals on the team. Once Coach Fauskin even bought a pair of track shoes out of his own pocket for someone who couldn't afford any, and the coach many times gave rides to the guys who couldn't get to the meets.*

*Over his coaching career, Fauskin trained championship conference, city and section teams along with helping to train Ron Whitney, 1968 Olympic winner in the 440 intermediate hurdles in Mexico City.*

*Over-all, this dedicated man deserves much recognition, even though he once stated, "I've been trying to get out of coaching for years!"*

# Championship Play

The Varsity Baseball team, coached by Dick Windemuth, worked steady and strong as they opened the '75 season by winning the 6th annual Easter tournament with a 15-4 victory over cross town rivals Downey High at Del Webb Field. Assistant Coach Fred Luchessa helped in many ways. A large part of his job was third base coach where he kept players on their toes insuring that those essential runs were scored. Although the season had a stormy beginning, the Spartans didn't let it dampen their talents and looked forward to the warmer weather which was sure to come. The Team looked to be a strong contender in the CCC.

The Sophomore baseball team, under the coaching of Jerry Houser, has done well this year. The team made it to the finals in the Easter Tournament, but had to be consoled with second place as they made too many mistakes against a steady Ceres team. The team also fared well in Conference action. Coach Houser has high hopes for this young team and says they show great future potential.

## Sophomores Show Potential

Top row, left to right: Bruce Amador, Coach Jerry Houser, Tim Hampton, Mark Wright, Doug Thorpe, Tony Salas, Tim Partin, Eric Haas, Danny Stockstill, Dennis Luond. Middle row: Randy Beauchamp, Lester Estes, Dave Normoyle, Kurt Hewitt, Marty Stone, Mark Thorson, Tim Gervase. Bottom row: Steve Streeter, Greg Ciccarella, Tim Bettencourt, Dick Hamilton, Victor Herrera, Jeff Stewart, Andy Strickland and manager Russ Fox.

# Softballers Swing Hard

**TOP ROW**, left to right: Lynn Bailey, Michelle Payne, Cathy Cross, Robin Heinrich, Sharon Moore. **BOTTOM ROW**, left to right: Jody Redlew, Bernardine Reed, Natalie Redlew, Carol Whala, Vicky Castro.

With an exciting game against Downey on April 4, the Girls Softball Team swung into the 1975 season. Eighteen girls formed the team, improving their skills with faithful practicing. Six league games, as well as two non-league games comprised the season.

*Spring sprang forth with its many and varied athletic activities. Each required its own type of talent and training but all provided enjoyment for its participants.*

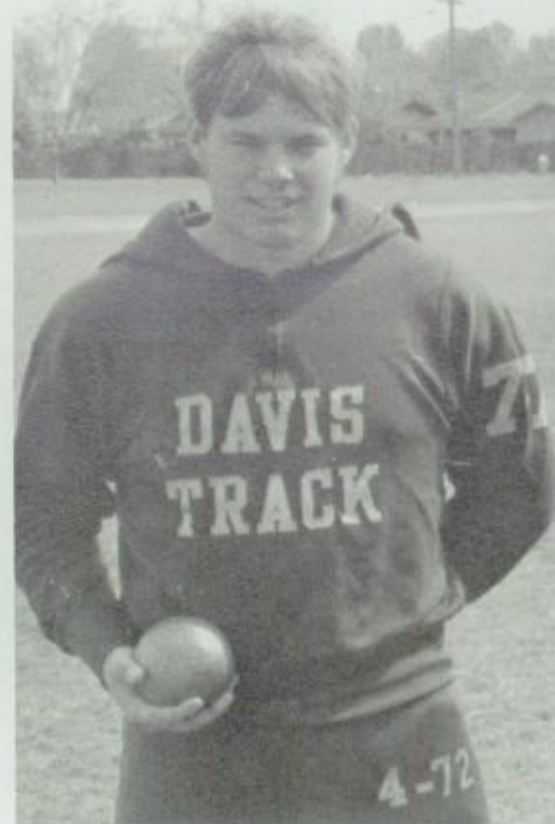

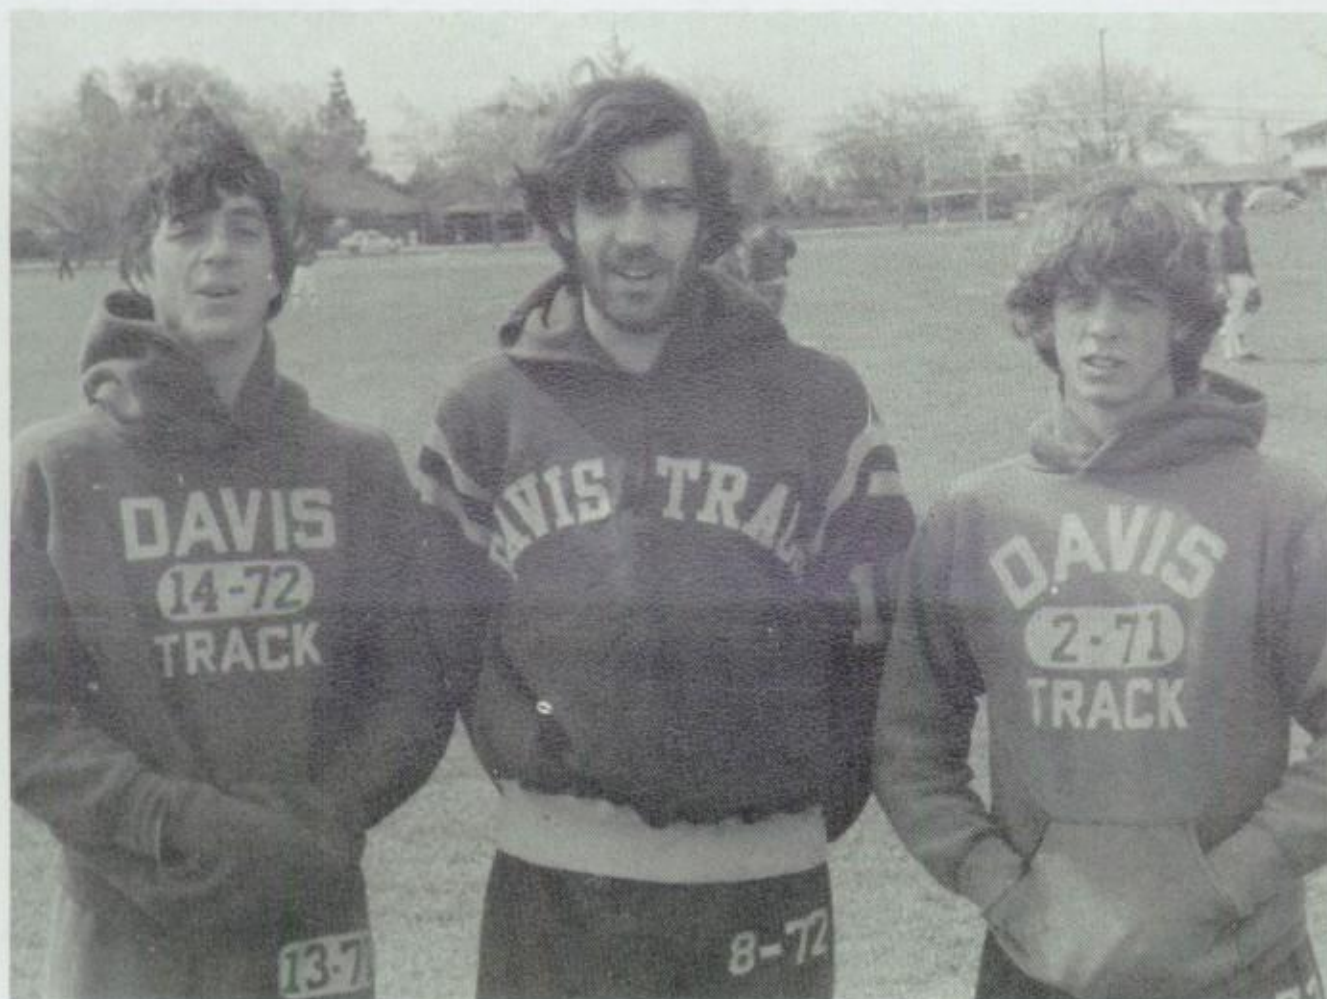

# Varsity Tracksters Lacked Team Depth

The Varsity track team had its troubles this year, not being a team of extreme depth due to the loss of stars at graduation. The team got it together during the year trying to form a winning team with the available athletes on the team. Sometimes sophomores were switched to the varsity to form more depth, but all in all, outstanding individuals stood out in the team's '75 season.

Dan Shepherdson was the top man in the high jump and triple jump all year long. "Shep" cleared 6'4" in his junior year, and won the Smith-Iverson Relays high jump at 6'2". Wilfred Hayes was clocked at ten flat in the 100 against Modesto, and hopes to break ten before he leaves the team. John Cosentino was an asset to the team in the long jump and hurdles. Rich Sasser was often a double winner in the shot and discus. Against Beyer, Davis won both Soph and Varsity competition, as they did with Modesto.

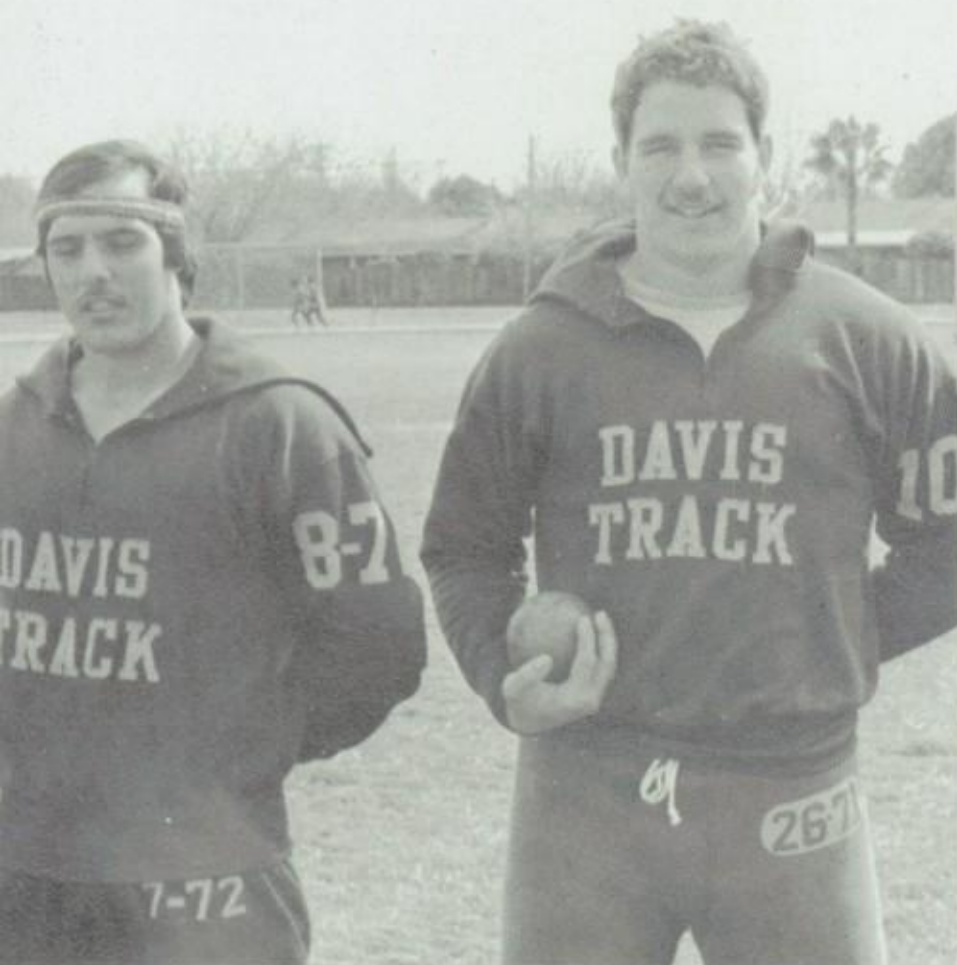

New on the team are distance coach Ed Maurice, and managers Susan Herman and Lori Mace.

Davis won the meet after it was presumed tied for two days.

# Sophs Show Potential For '76

The Frosh-Soph track team showed impressive depth all year in both sprinting and distance running. The star of the team must be Norm Zvizne, the surprising and talented distance ace, who could erase all track and cross country records in the near future. Zvizne doubled regularly in the mile and two mile runs, and has only been beaten (at this writing) by Steve Allen, the freshman cross country section champion. Gus and George Ortega pressured Zvizne all year to add to the team's depth. Mike Shaw stood out in the weight events, and Steve Camp and Ephion Jackson stood out in sprinting.

In the team's first meet, they took third out of eight teams with half of the team missing. Soon after that, they ran over Modesto and Beyer convincingly.

Next year should be good for the Varsity with the soph's moving up on the team.

# Different Strokes For Different Folks

*The girl's swim team began workouts in late winter for their meets, the first of which was March 21. From 3 to 5 everyday after school, one could find the girls hard at work. For the first time, this year, the girls' team meets were held together with the boys' team meets.*

# Junior Best

## Joel Youngheim

Some of you might know this 5'5" brown eyed guy as King Sinus, to others he's just plain Joel. But plain doesn't describe him. During the early part of his life at Davis he was freshman basketball and baseball manager, not to mention managing the sophomore and varsity football team. He is never too tired to talk to a friend. If you wish to see Joel currently you might see him rushing around the Corinthian room, or working on Drama productions. Joel is unusual, especially when it comes to driving. The dent in the pole on McHenry proves that. At 2:10 his life doesn't come to a halt, he is very active in the Synagogue. Everyone is an individual and Joel Youngheim proves it.

## Lynn Line

If you hear the notes of a piano in the hall by the music building it's more than a coincidence if you find a sparkling brunette behind the keys. Lynn accompanies most of the musical groups at Davis.

She not only excels in her musical ability but was named the representative to Girls State and Asilomar Girls. At school Lynn was equally active in Youth Council, was a class justice, football songleader, and Olympian staff member. Eager and willing to help any way she could, she involved herself as a political party volunteer and candystriper. With all this she still manages a warm hand and friendly smile. It is more than evident why the Junior Class acknowledges Lynn Line as Best All Around.

# Sophomore Best

**Vince Vella**

*For active Vince Vella, the most memorable experience of the year was playing halfback for the successful sophomore football team. Vince says his happiest hours are spent in nature, and his many friends testify that it's only natural he should win this award.*

**Susan Barboza**

*For cute, dark haired Susan Barboza, cheerleading was one of the main parts of the year. Yell Leading for the sophomore football and basketball teams gave both her, and her spectators many hours of enjoyment.*

# Freshman Best

**Pete Thompson**

*Good looking Pete Thompson is a busy three season athlete. Competing in football, basketball and baseball, he still had time to maintain good grades. Looking back on his freshman year, Pete says the most important thing was making friends, as this honor indicates.*

**Katie Keller**

*Most of you probably recognize Katherine (Katie) Keller as a freshman football and basketball songleader who, each week, enthusiastically aroused the crowd into cheering for their team. However, good looks are not her only asset as evidenced by her qualifying for CSF after just one semester of high school. It is this combination of intelligence, beauty, and personality that clearly qualifies her as Freshman Best All-Around.*

# Have you heard of the four Spiritual Laws?

Just as there are physical laws that govern the physical universe, so are there spiritual laws which govern your relationship with God.

## LAW ONE

**GOD LOVES YOU, AND HAS A WONDERFUL PLAN FOR YOUR LIFE.**

### GOD'S LOVE

"For God so loved the world, that He gave His only begotten Son, that whosoever believes in Him should not perish, but have eternal life" (John 3:16).

### GOD'S PLAN

(Christ speaking) "I came that they might have life, and might have it abundantly" (that it might be full and meaningful) (John 10:10).

*Why is it that most people are not experiencing the abundant life?*

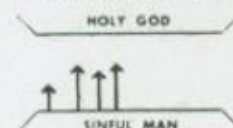

## LAW TWO

**MAN IS SINFUL AND SEPARATED FROM GOD, THUS HE CANNOT KNOW AND EXPERIENCE GOD'S LOVE AND PLAN FOR HIS LIFE.**

### MAN IS SINFUL

"For all have sinned and fall short of the glory of God" (Romans 3:23).

Man was created to have fellowship with God; but, because of his own stubborn self-will, he chose to go his own independent way and fellowship with God was broken. This self-will, characterized by an attitude of active rebellion or passive indifference, is an evidence of what the Bible calls sin.

### MAN IS SEPARATED

"For the wages of sin is death" (spiritual separation from God) (Romans 6:23).

God is holy and man is sinful. A great chasm separates the two. Men are continually trying to reach God and the abundant life through their own efforts: good life, ethics, philosophy, etc.

*The Third Law gives us the only answer to this dilemma . . .*

## LAW THREE

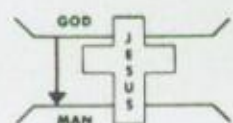

**JESUS CHRIST IS GOD'S ONLY PROVISION FOR MAN'S SIN. THROUGH HIM YOU CAN KNOW AND EXPERIENCE GOD'S LOVE AND PLAN FOR YOUR LIFE.**

### HE DIED IN OUR PLACE

"But God demonstrates His own love toward us, in that while we were yet sinners, Christ died for us" (Roman's 5:8).

### HE ROSE FROM THE DEAD

"Christ died for our sins . . . He was buried . . . He was raised on the third day according to the scriptures . . . He appeared to Cephas, then to the twelve. After that He appeared to more than five hundred . . ." (I Corinthians 15:3-6).

### HE IS THE ONLY WAY

"Jesus said to him, 'I am the way, and the truth, and the life; no one comes to the Father, but through Me'" (John 14:6).

God has bridged the chasm which separates us from Him by sending His Son, Jesus Christ, to die on the cross in our place.

*It is not enough to know these three laws, nor even to give intellectual assent to them . . .*

## LAW FOUR

**WE MUST INDIVIDUALLY RECEIVE JESUS CHRIST AS SAVIOR AND LORD; THEN WE CAN KNOW AND EXPERIENCE GOD'S LOVE AND PLAN FOR OUR LIVES.**

### WE MUST RECEIVE CHRIST

"But as many as received Him, to them He gave the right to become children of God, even to those who believe in His name" (John 1:12).

### WE RECEIVE CHRIST THROUGH FAITH

"For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works, that no one should boast" (Ephesians 2:8,9).

### WE RECEIVE CHRIST BY PERSONAL INVITATION

"Behold, I stand at the door and knock; if any one hears My voice and opens the door, I will come in to him" (Revelation 3:20). Receiving Christ involves turning to God from self, trusting Christ to come into our lives, to forgive our sins and make us what He wants us to be. It is not enough to give intellectual assent to His claims or to have emotional experience.

THESE TWO CIRCLES REPRESENT TWO KINDS OF LIVES:

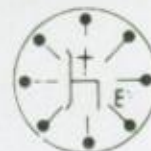

#### SELF-CONTROLLED LIFE

- E — Ego or finite self on the throne
- † — Christ outside the life
- — Interests controlled by self, resulting in discord and frustration

#### CHRIST CONTROLLED LIFE

- † — Christ on the throne of the life
- — Interests under control of infinite God, resulting in harmony and purpose
- E — Ego — Self dethroned

Which circle represents your life? Which circle would you like to have represent your life? The following explains how you can receive Christ:

### YOU CAN RECEIVE CHRIST RIGHT NOW THROUGH PRAYER (Prayer is talking with God)

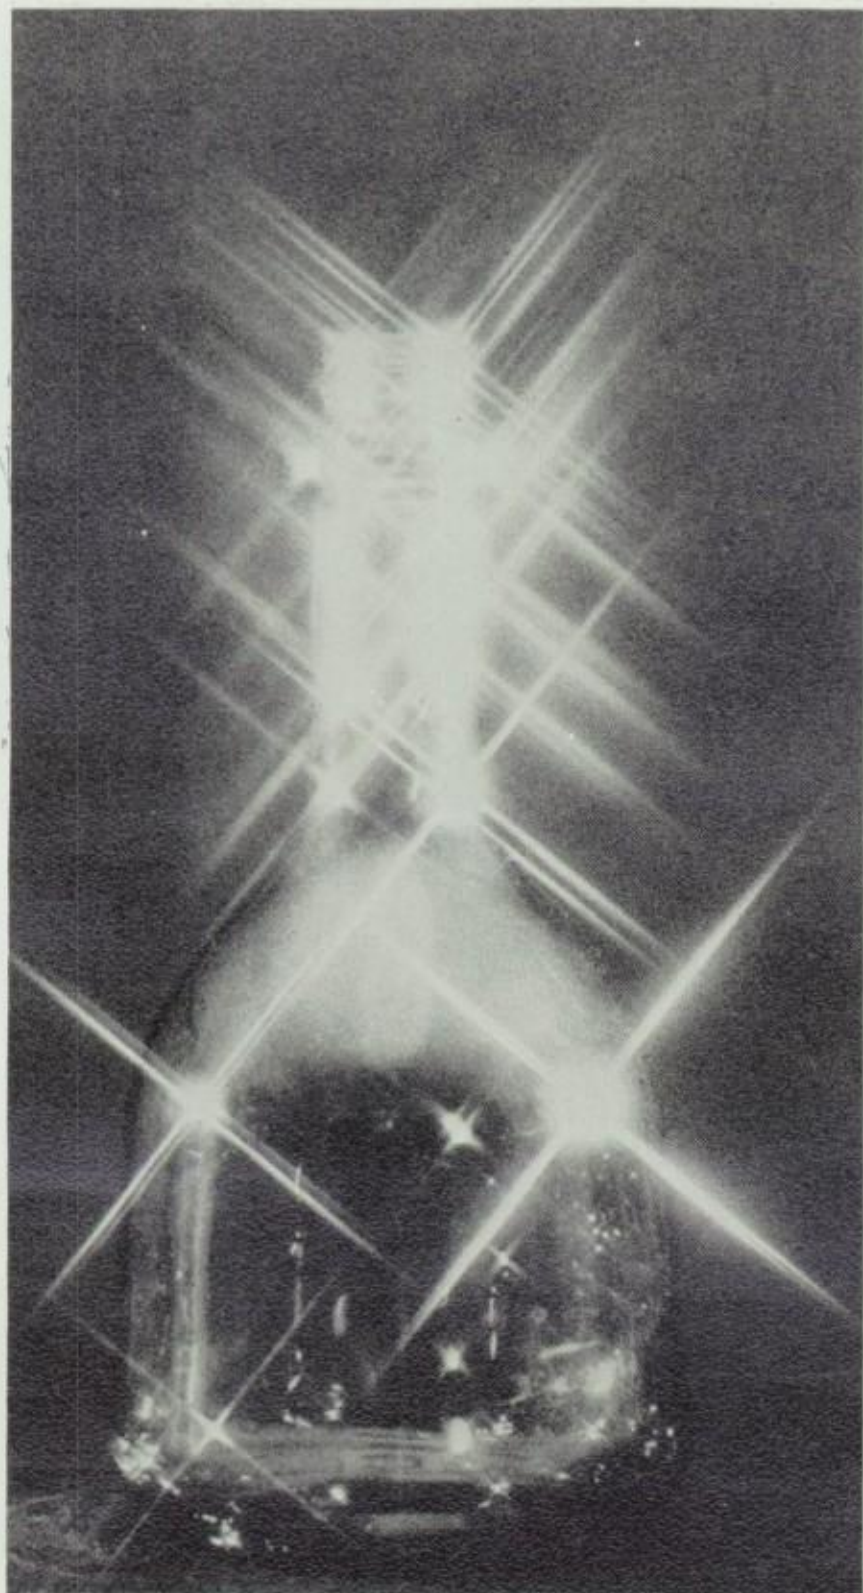

God knows your heart and is not so concerned with your words as He is with the attitude of your heart. The following is a suggested prayer:

"Lord Jesus, I need You. I open the door of my life and receive You as my Savior and Lord. Thank You for forgiving my sins. Take control of the throne of my life. Make me the kind of person You want me to be."

Does this prayer express the desire of your heart?

If it does, pray this prayer right now, and Christ will come into your life, as He promised.

# OLYMPIAN Tried For A 'Bigger & Better' Book

More than anything else this year we, on the OLY staff, wanted this yearbook to be different. Our slogan, "A Bigger & Better Yearbook" started out as a joke but soon that was what we were all striving for.

Now that it's finished we know it's bigger but is it better? That judgement is up to you.

After hours of pain, pressure, and perverted jokes, we love every page. We might not have known what we were doing at times but the staff always did it with the greatest amount of dedication and perseverance of any group I've seen.

There is no way I can thank all the individuals of this group that need to be thanked, but one special thanks must go to Bruce and Don for creating our theme song. As you turn the pages of this book quietly sing it and you might just understand what went on in Rm. 613 all year.

*Linda Brown*

(to be sung to the tune of the Burger King commercial)

Bring the copy,  
Bring the headline,  
We have got to meet a  
deadline

Chorus:  
If you don't the OLY won't  
make it your way!

Print the picture,  
Draw the layout,  
We have got to find a way

If we don't, the OLY won't  
make it your way!

# Farewell

Nature's first green is gold  
Her hardest hue to hold.  
Her early leaf's a flower  
But only so an hour.  
Then leaf subsides to leaf.  
So Eden sank to grief,  
So dawn goes down to day.  
Nothing gold can stay.

WENDY (WADDLES) -

WHAT CAN I SAY? WE'VE HAD SOME FUN TIMES TOGETHER, I'LL ALWAYS REMEMBER HISTORY AND BUTTFIRE RALPHIE BABY. CASEY WEEZED OUT ON US! IT WAS FUN RUNNING FOR SONG, EVEN THOUGH WE LOST. OH WELL, AT LEAST YOU GUYS WON! HOPE YOU HAVE FUN IN CAMP AND EVERYTHING.

LOVE ALWAYS (FUTURE <sup>BASKET</sup> BALL HOPEFUL SONG LEADER)
